From Behind the Desk...

Welcome to the September issue of the One Tree Hill Grapevine. Spring is finally here, and our community is buzzing with lots happening around the place. For this month's location to guess "Where in One Tree Hill?", check roadsides. Our cover page is of our local kids having fun on scout camp.

This issue you can read some family events coming up such as the Open Garden Day at Al Ru Farm (with proceeds going to our CFS and Church), the Barossa Goldfields Open Day, and also don't forget about OTH Tennis Club Registration Come and Try Day. Locals love to see local stories and photos so send me something about what your family is doing around One Tree Hill!

If you have any information about local achievements, new ideas or you would like to run something by me, please be in touch.

COUNTRY MARKET

• CRAFT • COOK • GROW • FRESH

One Tree Hill Institute

Saturday 7th September 8:30am - 1pm

Come and support our local Community Event!

New and regular stallholders offering a variety of goods for sale at quite reasonable market prices.

Gift baskets for Father's Day gifts.

New seasons One Tree Hill Olive oil available.

Quality plants for sale. Plant now to take advantage of moist soils.

There's Bric-a Brac to browse and much more. Don't forget the Piroskis!

Remember, it might be cold outside but it's warm inside our Institute.

Do come along and visit our local market and enjoy a cuppa and a chat

One Tree Hill Progress Association ~ President's Report

Dear Residents,

Our Progress Association last met on 8th August. We are still on the lookout for a small, weatherproof cupboard to use as a community library in front of the Institute. Permission will be sought from Council to use a site between the township sign and the bench seat in front of the institute.

Many residents have raised concerns about the town information sign adjacent to Jordan drive obstructing the view of westbound traffic (from Sampson Flat) on Black Top Rd. This safety matter has been raised with Council, but they have only received a few complaints and they don't believe it is a problem. Accordingly, we have raised a petition to help lobby Council to move the sign to a safer location; if you share this concern, please sign the petition at the One Tree Hill General Store/Diner.

The August market went very well; thank you to Heather and John for their ongoing work managing the publicity, the setup and the stall holders. Likewise, thank you to Pat for her tireless efforts managing the Hall bookings and the associated cleaning duties. The Hall is getting plenty of use and it always looks good!

Don't forget, we are always looking for new members willing to help the One Tree Hill and surrounding area community. Great news - our ranks grew this month! Our next meeting is at 7:30pm on Thursday 12th September in the Institute at One Tree Hill. We would love to see some new faces.

Kind Regards,

Steve Huckstepp
President, One Tree Hill Progress Association

One Tree Hill CFS ~ Incident Report August 2019

The spate of vehicle related callouts continued at the start of this month with 3 accidents over the first two weeks, two for car roll-overs. In the first of these we were called for a “car roll-over towards Golden Grove” but on dispatch were turned back by the local MFS who already had the incident under control.

In the second roll-over, a young driver had lost control of his car on the Hannaford Hump Road and rolled the car onto the strip adjoining the road. The three occupants all escaped uninjured but unfortunately the same could not be said for the vehicle. Just a hint in relation to this call-out, there is a whole section in the Driver Companion guide in relation to Qualified Supervising drivers for Learner drivers. If you are asked to accompany a learner, it is probably best for both of you if you make yourself familiar with this section ... enough said.

We had two other callouts to vehicles, one for a car through a fence on Sampson Flat, which had occurred at least an hour before the call came in and where the driver was sitting in his car waiting for a tow truck, so we were turned back before we got there. The other was for a 5 km diesel spill through Snake Gully in the rain on the 9th of August, this was also being taken care of by other agencies and once again we were turned back.

The major call for the month was for a significant pine tree which had fallen across Cornishmans Hill Road in the storm on the 8th of August narrowly missing the power lines. This blocked the road for several hours while we cleared it with the assistance of the SES and caused disruption for the after-school traffic that regularly uses that road. The main body of the tree remains in place close to the edge of the road, so as with last month, please be aware of the hazard.

Focus on Home Protection

You may have seen the new sign that has been erected on the western approach to the township raising awareness of Bushfire Safety in the area. This month we are asking that you focus on Home Protection. This could include internal factors, like having a Bushfire Plan, as well as external factors that would make your home more survivable in the event of a Bushfire, such as clearing leaves from your roof and gutters and clearing items from around your house. A little time now may make all the difference when the weather turns hot in a couple of months.

As reported last month, our AGM this year was a voting year and saw several new members taking over positions. We would like to congratulate all the successful candidates and look forward to working with you over the coming seasons. We would also like to thank all outgoing office holders, many of whom have held positions for extended periods, for their work and dedication to the Brigade. Finally a nod to former Captain Vince Cozzitorto who was presented a long service award by the CFS recognising his diligence and expertise.

For general information please contact OTH Duty Phone on 8280 7055.

You can also visit the CFS website at <http://www.cfs.sa.gov.au> or phone 1300 362 361.

Garry Walsh, One Tree Hill CFS

One Tree Hill Rural Watch ~ Crime Report

Offences Reported between 16th July—19th August 2019

30 July - daylight	Illegal Use of Motor Vehicle	Williams Road Gould Creek	Vehicle stolen from driveway of premises Male adult of Greenwith arrested re this offence

Playford Council ~ Local Councillor's Report

Dear Fellow Ratepayers and Residents,

The statement, "It's been another interesting month!", could be better described as growing frustration in slow progress. However, I've been a strong advocate for discussing strategies on debt management and welcomed the Financial Strategy Day under the leadership of Sam Green our current acting CEO. The day resulted in clear and agreed outcomes that support genuine ambition to provide financial sustainability and service alignment for the Playford community now and into the future. Hopefully we can continue this pathway.

The role of councillor in my opinion, is one where we seek community feedback and represent the peoples voice. When the Adoption Of Code Of Practice For Committee Meetings came before Service Committee (16th July) reflecting a change from eight days' notice for a deputation to 48 hours, I was somewhat surprised when an elected member moved an amendment changing the 48 hours to 5 days. This was carried and ultimately would stop a ratepayer viewing an agenda and presenting a deputation at the appropriate meeting. Fortunately, at the Ordinary Council Meeting (23rd July) we achieved getting the staff recommendation over the line, seven votes to six. This is positive news for ratepayers wishing to provide feedback to the chamber. Ratepayers can now view the agenda of the meetings on a Thursday night then consider if a deputation is appropriate and give email confirmation as late as Sunday 7pm.

One of my top priorities since being elected has been rural roads. The sealing of rural roads historically is financially a sound decision and makes logical sense. However, I am astounded at the cost and investment being made by ratepayers into the sealing of rural roads (approximately \$764,083 per KM). The details can be found in the council agenda for the Ordinary Council Meeting 23rd July 2019, page 188. We the elected members really need to combine and stay focused to drive efficiencies, reduce waste and improve outcomes.

I am pleased to see a new Rural Road Sealing Policy being presented to council. Hopefully this new policy will see improved progress for the rural roads and improve the financial outcomes. The result of the 2019/20 Annual Business Plan and Budget did not see the continuation of funding for the Rural Roads sealing programme. However, we still have the \$900,000 carryover funding for Bassnet Road through the 2018/19 Annual Business Plan. It is my opinion that this funding should be maintained for the original purpose of rural roads and allocated to an alternate rural road. On the 9th July at the strategic Planning Committee meeting, alterations were moved which included the \$900,000 and its allocation to be considered as part of budget review 1.

The Rural Road Sealing policy was returned before the 23rd July Ordinary Council Meeting page 10 of the minutes at 14.6. Councillor Craig moved an amendment, that the allocation be considered for an alternative rural road as part of budget review 1. This was lost and division called. The original motion was then put to the meeting and lost. Hopefully at the next Ordinary Council Meeting, we can achieve a positive result for the Rural Roads and see the intention of the amendment confirmed.

If anyone would like to further discuss the council concerns or other details, please give me a call.

Until next month.

Best wishes and regards,

Cr David Kerrison

1. The more you take, the more you leave behind. What am I?
2. David's father has three sons : Snap, Crackle and _____ ?
3. What has many keys, but can't even open a single door?
4. Re-arrange the letters, O O U S W T D N E J R, to spell just one word. What is it?
5. Mr. and Mrs. Mustard have six daughters and each daughter has one brother. How many people are in the Mustard family?

ANSWERS—PAGE 22

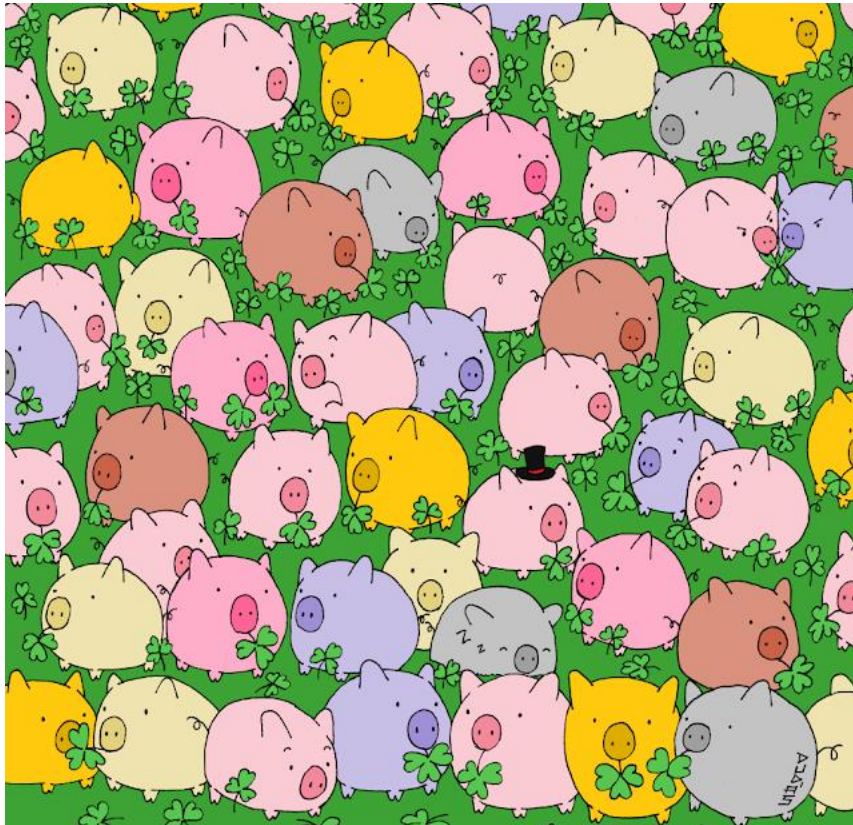

Where in One Tree Hill?

In each Grapevine issue I feature a photo which will be at any location in One Tree Hill township or the surrounding areas. Your challenge is to guess where the picture was taken. The answer will be in the next edition... See if you can guess where this is?

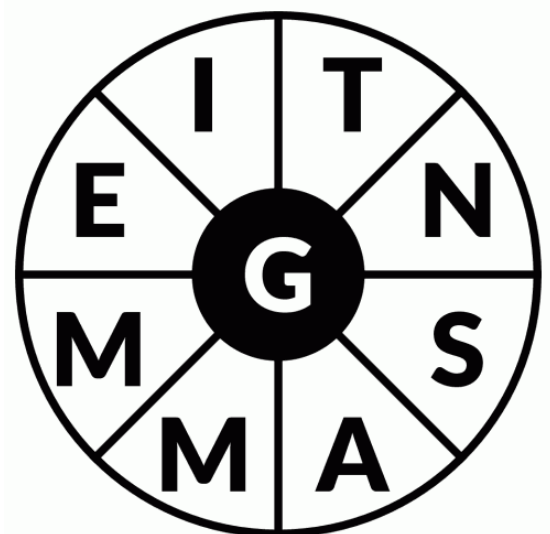

LAST MONTH'S
ANSWER:
Emu mosaic near the
entrance of
Humbug Scrub
Wildlife Sanctuary.

Can you find the four leaf clover?

Word Wheel

This word wheel is made from a 9 letter word—can you find it? Try and find that word, then make as many words of any length as you can from these letters. You can only use each letter once, and each word must include the letter G.

Don't let the weather stop you from moving

Buyers are looking for a property like yours, today!

Just because it's Winter and the days are cold and wet, it doesn't mean that buyers are not buying. In fact, there is little competition, or low inventory, at the moment meaning buyers are competing for properties.

Imagine getting three very **strong offers** to buy your home without paying marketing costs. Last week a Gumeracha property went under contract, only **33 hours after being uploaded as a silent listing**. We also had a property in the Adelaide Hills receive **three offers** before the For Sale sign went up!

If you are thinking of selling your home, one of our Property Sales Specialists would be happy to sit down and speak with you directly. Don't wait for the Spring weather to arrive because buyers are looking for their next property today!

CE PROPERTY 
GROUP

CE Property Group (formerly Country Estates) was originally established in Birdwood in the 1970s. Owned and run by locals since the beginning, we have always been proud of our different approach to the real estate business.

Our mission is to *challenge the status quo* of real estate service to our clients. We know that selling your home can be one of the most financially impacting events you'll experience in life. Therefore, we want to help you achieve the best possible price and avoid paying unnecessary costs often charged by other agents. We can do this by taking a different approach to delivering our service. We have offices in Birdwood, Mannum and One Tree Hill where our entire team works together to provide the most professional, ethical, informative, loyal and dedicated service in the industry.

We're also proud to be a community focussed agency. Being able to give back is a really important aspect of our business. Yes, we sell properties but we also like to support the communities those properties are located in. People are the backbone of our business and we are excited to have this opportunity to strengthen our community ties. Watch out for our 2020 Community Calendar which will be available for purchase later this year. Profits are donated to a South Australian charity.

If you'd like to know more, contact our office on 0488 972 888 or email mail@cepropertygroup.com.au. We welcome your enquiry and would be delighted to provide you with additional resources to help you along your real estate journey.

“

As the only Real Estate Agency based in One Tree Hill, we often receive enquiries from buyers wanting to purchase their next home in the area. We currently have over **200 PRIORITY BUYERS** registered to receive immediate updates when a property is listed for sale in One Tree Hill and a further 1,550 priority buyers wanting homes across our service areas of the Adelaide Hills, Barossa Valley, Murraylands and suburbia.

”

You can visit the One Tree Hill monthly market to speak with a member of our team about your real estate needs, or to buy a copy of our 2020 Community Calendar.

What's Flowering In My Garden?

The brightly coloured *Correas* have been flowering, so too have the pink *Thryptomenes*. The golden yellow blossoms of the wattles, brightening up our gardens and roadsides mean that Spring is officially not too far away. The recent rain has been most welcomed.

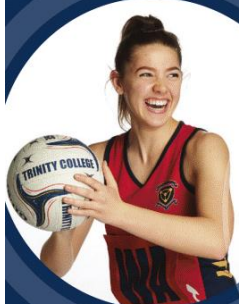

Hakea orthorrhyncha, a large rounded open shrub, up to 3 metres high and 3 metres wide is in full flower and is an absolutely beautiful sight to see. It bears mid green needle like foliage along its many branches, allowing full light to strike and show off the brilliant red spider like flowers that cover the full length of its many branches. Viewed when in full bloom, it is a magnificent sight. The New Holland Honeyeaters and Lesser Wattlebirds are enjoying foraging amongst the many flowers. I noticed a Red Wattlebird feeding in this *Hakea* and these birds disappeared during the Sampson Flat Bushfire and it was very pleasing to see one returned. I hope more return as the Lesser Honeyeater, a rather noisy bird, moved in immediately after the bushfire and has increased in numbers. The pollinated flowers produce very large seed pods in the shape of a bird's beak, each containing 2 seeds. This plant, with a common name of Bird-beak *Hakea*, grows naturally in the Kalbarri region of Western Australia but is popular as a garden plant, requiring well drained loamy soils. It's not very often seen as a plant to purchase in general garden nurseries but is often available from the Native plant Show, the next being held in October.

Hakea orthorrhyncha, with its stunning red flowers, is a must have plant that brightens up any Winter garden. Just Beautiful.

TRINITY COLLEGE

One Tree Hill Boy in U/13 SA Hockey Team

Local lad Evan Staker was selected in August to play Goal Keeper in an Under 13 South Australian Hockey team. Evan will travel with his team mates to Hobart in early October to take part in the National Competition, and will undergo further training sessions before then. Evan has been playing hockey since he was in Year 2, for Trinity College.

Evan recently began also playing for North East Hockey Club when they needed a goalie. He has been attending a Goal Keeper Training Clinic with Sam Bentley and will continue with that specialty training now that he is in the State Team. Evan is very proud to have been selected in the SA team, and he hopes to continue in the state squad up the ranks as he grows older, with a view to maybe one day playing for Australia. Good luck Evan!

INVITATION "SHARING WITH COMPASSION"

'Sharing with Compassion' is a growing not-for-profit
South Australian organisation, assisting students in
Uganda.

This organisation has completed major works for Hope
and Care Primary School, High Standard Secondary
College, and their surrounding communities in the
Wakiso and Kaboga districts of Uganda.

On Thursday, 10th October, 6.30 – 8.30 pm

Pastor Fred from Uganda, will be visiting One Tree Hill
Uniting Church to speak about the work of 'Sharing with
Compassion' in Uganda.

Come along and
hear all about the
wonderful work
being done by this
organisation.

BRACE YOURSELVES

IT'S MAGPIE SWOOPING SEASON

Why Magpies Swoop

Male magpies only swoop during mating season in spring due to a huge increase in testosterone where they become over protective dads. The mating season can vary from state to state but generally is between late August to late October, with the occasional borderline case.

Here's some swooping safety tips. For more tips, visit the web site listed below.

- Keep alert and pay attention for any magpie nesting sites.
- It is important to try to stay calm, if you panic and flap then this is more likely to appear as aggressive behaviour and provoke a further attack.
- Keep an ear open for their distinctive calls.
- Wear sun glasses and with a hat to protect your head and eyes.

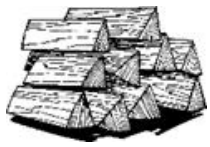

Information sourced from the Magpie Alert! Website <https://www.magpiealert.com>

One Tree Hill Community Book Exchange Project

Information about this project was contained in the August Issue of the OTH Grapevine. If you have a suitable enclosure to donate, or you would like to be involved in this new community project in some way, please contact Steve Huckstepp, (OTH Progress Association President) by email oth.progress@bigpond.com, or email OTH Grapevine on oth.grapevine@bigpond.com.
