Welcome ...

Welcome back!

It's May (where has the year gone?) and we have another jam packed edition of the Grapevine for you! Make sure you read the reports, especially the CFS report which has important information about the extension of Fire-ban season.

There are also a few articles about what's been happening in the community. Read up on the Mayor of Playford learning indoor bowls!

Looking forward to writing to you again!

Are you interested in having a stall...

We are looking for you!!

Enquiries please contact 0457 107 817

BURNING PERMIT

If you live in the City of Playford you are required to obtain a burning permit between the dates of
15 May 2018 and 31 October 2018.

Some areas are exempted from having to obtain an individual burning permit and are instead covered by a General Notice Burning Permit – per information below.

Burning Permits are issued to enforce the Environment Protection (Air Quality) Policy 2016 in accordance with clause 6.

This general notice burning permit is issued by the City of Playford and authorises any person within the following areas of the City of Playford (as defined in the City of Playford Development Plan pursuant to the Development Act 1993) that are within Metropolitan Adelaide (as defined in the Development Act 1993):

- a. The Watershed Zone (Mount Lofty Ranges);
- b. The Hills Face Zone;
- c. Primary Production Zone (Mount Lofty Ranges);

to carry out any of the following burning activities in those areas, outside of the 2017/2018 fire danger season (fixed under the Fire and Emergency Services Act 2005) subject to the conditions set out below:

1. Burning off vegetation for fire prevention or control;

Conditions

2. This burning permit cannot authorise a person to carry out a burning activity under (1) on land if the person is not the owner occupier of the land or does not have the consent or authority of the owner or occupier.
3. A person carrying out a burning activity under (1) and (2) must:
 - Only burn between the hours of 10am and 5pm, Monday to Saturday. *NOTE: Burning on Sundays and Public Holidays is prohibited.*
 - Create Piles 3m x 3m x 2m Maximum
 - Notify your neighbours prior to the day of burn.
 - Place materials to be burnt in a position that allows for a four-metre clearance around and over the fire.
 - Ensure all piles to be burnt are not in close proximity to other flammable materials including grass and logs.
 - Burn one pile at a time, to ensure that you retain control of each burn.
 - Have appropriate working fire control equipment on standby.
 - Extinguish the fire immediately if smoke or odour is causing a nuisance on another person's property.
 - Stay within the direct vicinity of the immediate burn site if smoke or smoulder is coming off of the burn.
 - On the completion of the burn, ensure the fire is completely extinguished.

You must not: Burn materials mixed into soil or permapine treated with copper arsenate, household rubbish, plastic or rubber.

4. This notice remains in force until 31st October 2018.
5. Individual permits will be considered on a case by case basis in November 2018.

Notes

This burning permit does not authorise the burning of a prohibited substance (Clauses (6)(3)(d) and (7) (1) of the Environment Protection (Air Quality) Policy 2016. The fact that a person has complied with the conditions of the burning permit does not:

- a. relieve the person from liability for any loss, damage or harm caused by a fire lit under the authority of the burning permit; or
- b. prevent proceedings for enforcement of the general environmental duty under section 25 of the Environment Protection Act 1993, or for any offence under the Act, in relation to the burning activity (clause 6(5) of the Environment Protection (Air Quality) Policy 2016). This permit is subject to any ban, prohibition, restriction, or other requirement under the Fire and Emergency services Act 2005, the Native Vegetation Act 1991 or a prescribed act (clause 5(4) Environment Protection (Air Quality) Policy 2016). For general information and Frequently Asked Questions on Burning in the Open in the City of Playford Council area please visit the council's website playford.sa.gov.au or the EPA's website epa.sa.gov.au.

One Tree Hill Progress... **President's Report**

Hi everyone,

We have just held yet another very successful Anzac Day Dawn Service with over 1,000 people attending. Many thanks to the RAAF from Edinburgh who once again provided the Catafalque Party and helped conduct the service, we also wish to thank local residents who had an input – very much appreciated.

There are many organisations and people who had an input into making this community event a very memorable one. A big thank you to Hilltop Fresh Flowers, on Yorktown Road, who, along with One Tree Hill Vineyards, donated several wreaths, One Tree Hill Phoenix Venturers and Ace Rovers who cooked the breakfast, the CFS volunteers who handed out the Order of Service and Rosemary sprigs.

To all those who gave their time on Tuesday afternoon, to help setup and again contributed to packing up after the dawn service, served tea and coffee, cooked Anzac Day biscuits, thank you.

We would also acknowledge the support and contribution from Playford Council - \$500.00 grant funds will assist Progress in keeping this memorial service ongoing. The various attendees representing, Local Government, State Government, Federal Government, One Tree Hill Community, CFS and Uniting Church, along with representatives from the Armed Forces, who laid wreaths as a mark of respect from those organisations.

Many relatives / past residents and contacts come from great distances to attend this service, we thank them for their effort in making themselves available.

The One Tree Hill district suffered severe losses, particularly in WW1, where many families lost sons and daughters in that conflict.

We salute their sacrifice and remember that they gave their tomorrow for our today.

The annual general meeting of the Progress Association will be held on Thursday 10th May at 7.30.

If you would like to volunteer some time to the community, come along – we can always do with some new members with some new ideas.

Regards and Thanks

Ian Slater

President

One Tree Hill Progress Association.

One Tree Hill Progress — **Rate-Payers Sub-Committee Report**

2018/19 Council Budget – Have your say

Yes, it's that time of year again where the council sets its budget and reviews the costs of delivering programmes & services. The 2018/19 Annual Business Plan and Budget is currently in draft and open for feedback from the 2nd May to the 22nd May 2018. Also out for consultation at the same time are the Long Term Financial Plan and Asset Management Plan.

I am pleased to say Cr Federico, Cr Craig and Cr MacMillan attended the One Tree Hill Progress Association meeting following the Ratepayers Subcommittee Invitations. After the councillors shared their backgrounds and visions for the next term (should they run), lively discussions followed. I wish to say Thank you to the councillors and all community members who attended.

Further updates next month. Hopefully by then we will have seen the much needed rain!!!

Regards David Kerrison

Chairperson Ratepayers Subcommittee

PROPERTY WANTED URGENTLY

We would really like to help Shirley and Roc find their new home. They are looking to purchase in the any of the following areas :- One Tree Hill, Gould Creek, Sampson Flat or Yatala Vale,

Their preferences include:-

- A nicely renovated or newer family home
- Preferably two living areas
- Two Bathrooms
- 2,000m² up to 10 acres

They are ready to buy now and willing to pay up to **\$850,000** for the right property.

If you have been considering selling or know someone who is then this is a great opportunity. Please contact **Michelle De Marchi** on **0428 972 871** to discuss further.

One Tree Hill... **Councillor's Report**

Most Important FIRE PERMITS. Once again Council has issued a general burning permit for bushfire fuel reduction burning OUTSIDE OF THE BUSHFIRE SEASON and outside of Townships only for our area. Please check the CFS the Website cfs.sa.gov.au or phone Council on 85260333 to ensure that the season has not been extended. Please be vigilant and not burn if the surrounding area is still dry and no rain has fallen. Council is exploring a Storm Management Plan (SMP) which includes One Tree Hill, this is not a bad thing however the aim is to mitigate downstream flooding issues and improve water quality. Public consultation will be held with affected and interested landowners, it is worth bearing in mind that upstream land owners should not have to lose out to benefit downstream users unless a trade-off is negotiated. It is interesting that Council has approved new works for Freemont Park which includes a bigger lake, provisions for a restaurant and or function centre, provisions for a kiosk and or food truck. Stages were also explored that included a \$1.65M doggy park relocation of the maintenance shed at \$1.32M a sensory garden at a cost of \$1.9M amongst other stuff. If you are interested in reading these ideas and documents they can be found on Council's website under agendas minutes and meetings. Oddly enough when I asked the question whether we had our priorities right as people in rural areas would have to battle unsealed roads, dust and unsafe conditions to row a boat or walk a dog etc. I was told that the approved stage was fully funded in the previous versions budget. This did not answer my question but raised in my mind that when things are increased but still fully funded either the first budget had a lot of meat on it or there is going to be a hole in the budget once the new you-butte lake is delivered. Rate Capping was also discussed but it appears that the Libs will not have the numbers in the Upper House (22 seats, 9 Liberals, 8 Labor, 2 Greens, 2 SA best and an independent) 12 votes are needed, it will take a lot of buying to secure rate capping. Anzac Day will have come and gone by the time you read this I hope it is, as always, a very successful commemoration followed by an afternoon of steady soaking rain.

If you have any concerns or issues with or about our City, please in the first instance phone Council's 24 hour phone number "8256 0333" and or e-mail playford@playford.sa.gov.au , and cc your email to me at crjfederico@playford.sa.gov.au. When speaking to Council please remember to get a Customer Reference Number to ensure registration, and easy identification of your communication. If you have a pressing concern you can talk to me at the Country Market, or pop a note into my letter box.

One Tree Hill CFS... **Incident Report April 2018**

The unseasonal hot weather on the 11th of April turned a reasonably quiet month into a very busy one. An unusual weather system saw a cold front that stalled just off the coast and meant that Adelaide was buffeted by strong Northerly winds for most of the day. We were initially asked to man the station from 10 until 3 o'clock but as the day progressed it became clear that it would be much longer than that. With the Fire Danger Indexes going through the roof a call came in for a fire at the Jeffries Compost depot at Buckland Park. The windrows of ageing compost had spontaneously combusted due to a combination of the natural heat build-up within the piles and the high winds.

Although our initial response to that fire was only the tanker, most of the rest of the Group had units committed to Buckland Park, and so One Tree Hill station became rural fire cover for most of Elizabeth and Munno Para. As a result, we were called to grass fires late in the afternoon in Andrews Farm and MacDonald Park, both of which were brought quickly under control despite the weather at the time. As it became obvious that the Jeffries fire would burn for many days, the Brigade was then called in to provide more crews to relieve those that had been working all afternoon.

Apart from that, during the month we had a Tree down, a vehicle fire and accident, and provided teams for a strike team to the Birdwood fire that was widely reported in the press. We also had one call for a Grass fire heading towards a house on Tyeka Drive which turned out to be the resident having a small comfort fire.

Fire Danger Season Extended

On the 19th of April, the CFS announced that it has decided to extend the Fire Danger season in the Adelaide Hills zone until the 15th of May. Parts of the Adelaide Hills have received 25-100 mm below the average January to April rainfall and the fuel load in most areas remains extremely dry. Leigh Miller from CFS HQ has said that we require about 70mm of rain and milder autumn conditions before the fire risk is reduced. So you need to hold off on your burn-offs for a couple more weeks. The date remains unchanged at the 30th of April for the Adelaide Metropolitan region.

For general information please contact OTH Duty Phone on 8280 7055.

You can also visit the CFS website at <http://www.cfs.sa.gov.au> or phone 1300 362 361.

Northern Foothills Land Care Group

Exotic Grass Invaders, Community Workshop

Exotic species are invading Australia at an alarming rate. Everyone knows about cane toads, rabbits and foxes but few would appreciate the threat we are facing by species such as Buffel Grass, African Fountain Grass, Chilean Needle Grass and Coolatai Grass.

Most of us appreciate the dangers we face by fires but don't know that many of these invasive grasses change the fuel load significantly and thrive after fires. They burn very hot but recover faster than many native grasses and thus in many parts of Australia are scorching out native bushland.

Many of these grass species are difficult to identify and even harder to control and hence we need to work together as a community to contain these invaders and to tackle the escalating threat.

Buffel Grass Close Up

Please join us in an evening with some of South Australia's leading weed grass experts to talk about these issues, teach us identification techniques and cost effective control strategies. Stay on after the presentations for a light supper and chat with like-minded people. For details refer to advert following pages.

COUNCIL BUDGET 2018 / 19 HAVE YOUR SAY

2018/19 Draft Business Plans Community Consultation

The City of Playford has released the 2018/19 Draft Business Plans for public consultation. The plans include:

- Draft Annual Business Plan and Budget 2018/19
- Draft Long Term Financial Plan 2018/19 – 2027/28
- Draft Asset Management Plan 2018/19

The public consultation will run from **Wednesday 2 May to Tuesday 22 May 2018**. You can provide comment and feedback via a written submission, the feedback form available on the website, or verbal submission at the public hearing in the Council Chamber at 7pm on Tuesday 22 May 2018.

The 2018/19 Draft Business Plans are available at:

City of Playford website
playford.sa.gov.au/publicconsultation

Via request at:
publicconsultation@playford.sa.gov.au

Customer Care locations at:

Playford Civic Centre,
10 Elizabeth Boulevard, Elizabeth
or
Stretton Centre,
307 Peachey Road, Munno Para.

Written feedback can be sent to:

Business Plans Consultation
Playford Operations Centre
12 Bishopstone Drive
Davoren Park, SA 5113

Email: publicconsultation@playford.sa.gov.au

Feedback should be received by 5pm on Tuesday 22 May 2018 and should clearly indicate if you wish to be heard at the public hearing.

Any submissions received may be made publicly available, unless specifically advised otherwise by residents.

Recipes of the Month... Apple Berry Crumble

Ingredients

- 2 Medium Apples
- 3/4 cup (115g) frozen mixed berries
 - 2 tablespoons lemon juice
 - 2 tablespoons brown sugar
 - 2 tablespoons plain flour
 - 1/4 cup (20g) rolled oats
 - 20g butter
- 1/4 cup (30g) finely chopped roasted hazelnuts

Method

1. Preheat oven to 200 degrees Celsius/180 degrees Celsius fan-forced. Grease four 3/4 cup (180ml) ovenproof dishes; place on tray.
2. Peel and core apples; chop coarsely. Combine apple, berries, juice, and half the sugar in a medium bowl; divide mixture among dishes.
3. Combine remaining sugar, flour and oats in a small bowl. Rub butter into flour mixture; stir in nuts. Divide crumble over fruit mixture, pressing down firmly. Bake, uncovered, about 30 minutes or until browned lightly.

We would love to hear about your favourite recipes!!!

Please email us at: oth.grapevine@bigpond.com

What's flowering in my garden today...?

After the recent rain, which gave us 33mls of much needed rain, the Correas have responded. Correa reflexa has been in flower for the last four weeks and, as a ground cover of approximately 40cms height by 1.2m width, the plant is a delight to the eyes with its pink/red tubular flowers on a mid green foliage.

The New holland honeyeaters and the Eastern spinebills constantly check each and every flower for a feed of nectar.

There are many other Correas available to grow in your garden. Various varieties come in many colours; white, cream, pale green, yellow, red, pinks and oranges. From small plants, eg Correa pulchella to a tall Correa glabra, there's always one to grow somewhere in your garden. Easy to grow, easy to maintain, good as a cut flower stem.

Just beautiful

Invasive Grasses workshop

Let's make a difference

and work together to protect our properties from weedy grass invasion

Come and hear about:

- Cost effective weed control, property hygiene
- How to recognise some of the problematic grasses
- Other new invaders to lookout for, such as Fountain, Buffel and African Love grass
- How to deal with the 2 biggest local invaders; Coolatai and Chilean Needle Grass

Bring in your weeds for I.D.
each in a separate plastic bag

The Guest Presenters

Dr CHRIS PRESTON – Associate Professor, Weed Management University of Adelaide. Additional to teaching Chris works with grain producers and is involved with vine and cotton industries to improve weed management.

CHRIS BRODIE – Weeds Botanist, State Herbarium of South Australia - Chris loves weeds and manages the collection and identification of weeds and is a regular presenter at weed conferences and education events.

SHEREE BOWMAN – Principal Consultant, TS Environmental Consulting. A Leading industry practitioner in the natural resource management field who works with land managers to achieve sustainable land management.

Date: Tuesday 22nd May 2018

Time: 6.45 for 7pm start

Where: One Tree Hill Institute, Blacktop Rd

Cost: Gold Coin donation

For enquiries and registration

New Podiatrist consulting in Kersbrook

Brett is passionate about providing excellent patient centred care. Through his work in both public and private practice, Brett has developed a skill set in providing effective, affordable and evidence-based care for his patients.

Brett is experienced in all areas of Podiatry, and is particularly interested in-

- Management and prevention of diabetic foot complications
- Management of foot and ankle musculoskeletal pathologies and foot pain
- Surgical management of ingrown toe nails and skin lesions
- Paediatric foot conditions, including screening for neurological and developmental issues in children.

Brett also consults at Modbury Hospital working as an amputee rehab Podiatrist, and at Lyell McEwin Hospital working in the multi-disciplinary foot clinic for complex high risk feet, and working with Orthopaedic specialists in the management of complex foot and ankle conditions. In his free time Brett is passionate about music, and plays guitar and piano.

Brett will be available for appointments on Tuesdays, as of the 5th June 2018, and will also be available for home visits after hours. Brett will be consulting from Kersbrook Medical Practice - 36a Scott Street Kersbrook. Bookings with Brett can be made through the Kersbrook or One Tree Hill Pharmacy, or by calling 08 8389 3351.

Stormwater management planning project

The City of Playford, with the City of Salisbury and Town of Gawler, has begun a project to develop stormwater management plans and is inviting the public to participate in the development of these plans.

Stormwater management plans are being developed for the:

- Smith Creek Catchment,
- Greater Edinburgh Parks and St Kilda Catchment, and
- Adams Creek and Helps Road Drain Catchment.

The map below shows the location of these catchments.

The plans will identify action to:

- Address flooding issues,
- Improve stormwater quality,
- Protect and enhance water dependent ecosystems,
- Promote the use of water-sensitive urban design, including stormwater harvesting and reuse, and
- Minimise the impacts of stormwater flows and external catchment runoff on public and private infrastructure.

As a land owner, business, resident or interested group or individual, you are invited to comment on stormwater management issues within the study area by completing an online feedback form available via surveymonkey.com/r/stormwater_plans.

Hard copies of these feedback forms are also available at

- City of Playford, Playford Civic Centre, 10 Playford Boulevard, Elizabeth
- City of Salisbury, Council Municipal Offices, 12 James Street, Salisbury
- Town of Gawler, 43 High Street, Gawler

In addition, the community is invited to participate in a focus group for Smith Creek.

Council is seeking community views on the actions that should be undertaken and priorities for improving stormwater management in Smith Creek.

Interested members of the public are invited to express their interest in participating in a series of focus group meetings.

There will be two sets of meetings (each of up to two hours) and your participation and input will be most welcome.

This is an excellent opportunity for you to help shape the water future and character of your city.

Enquiries relating to this project can be directed to the City of Playford's Braden Austin (8256 0526 or baustin@playford.sa.gov.au).

If you would like to express interest in the Smith Creek focus group go to surveymonkey.com/r/SmithCreek_focus_groups to complete the survey

Community News ... Mayor at Indoor Bowls

Every local Mayor needs a little down time occasionally, and City of Playford Mayor Glenn Docherty managed to squeeze in couple of hours with One Tree Hill's Senior Citizens on Tuesday 4th April.

To everyone's delight, he displayed a natural skill at Indoor Bowls, sending down some spectacular shots from the word go! President Phil Waldegrave was on hand to guide the willing learner.

A delicious chocolate cake appeared for afternoon tea along with 99-year-old Fred Riley's famous biscuits. Mayor Glenn took the chance to chat with some of the local longtime bowlers (LtoR Brian, Les, Fred, Lance, Pianist Trevor, Colin, Mayor Glenn).

The OTH Bowling Club celebrated 30 years in 2017, gaining some new members since. This

is a relaxing and fun way to spend an afternoon, as Mayor Glenn discovered. He has promised to drop in again when Council business permits.

Come and try it for yourself - Tuesdays from 1.30 - 4.00 pm in the OTH Institute Hall.

Please direct any queries to Louise Niva, lniva@internode.on.net
