From Behind the Desk...

Welcome to the September issue of the One Tree Hill Grapevine. The OTH Country Market is back on, Sunday services have resumed at the OTH Uniting Church, CFS are training as a whole brigade, our sports and scouts, and now playgroup and the seniors group are well and truly running again. This is giving us some sense of normality after a trying time for everybody.

Our cover page shows the market back into full swing. Get on down and check it out this month! In this issue you can read about a local couple celebrating their 60th wedding anniversary, see some photos of the cute OTH playgroup kids with farm animals, along with other community news.

Please keep the photos and articles coming - our OTH Grapevine is always more fun to read when it has relevant community content and familiar faces! Take care, everyone.

One Tree Hill Progress Association ~ President's Report

Dear Residents,

We continue to be thankful that SA has so far escaped a second wave of Covid-19. Our heartfelt sympathies go out to affected Victorian individuals and families that are doing it tough and we hope that their health authorities can quickly bring things under control. If South Australians keep doing the right thing and heeding the medical advice for social distancing we should get through this safely.

We re-started the Country Market on 1Aug20 and it was very successful, with lovely weather, plenty of customers and a full house inside and lots of outside stalls. The social distancing capacity limitations inside the hall proved not to be a problem with our normal crowd numbers. Heather and John organised entry and exit procedures that flowed well; almost everyone was willing to cooperate by providing contact tracing details. Thanks to all the participants and customers for their support.

The Association met on 13Aug20. We are progressing several issues, including the replacement of the town map, footpath and gutter repairs in front of the hall and discussions with Council re flowerbeds restricting parking and causing traffic visibility problems on Blacktop Road. We received a less-than-satisfactory response from SA Water regarding the lack of water in a general power outage and we will be following this up again through the State Government.

The South Australian Government's Emergency Management (Public Activities No7) (COVID-19) Direction came into effect on 14Aug20 and it further restricts the use of the Hall (whether indoor or outdoor) to a maximum of 100 people when used as a private place. Any public meetings must be seated and attendance records need to be kept.

From 21Aug20, a Covid Marshall is required where prescribed operations are conducted; this includes all ceremonies at the Hall and onsite purchase and consumption of food or beverages (whether occurring in an indoor or outdoor area). Hall users affected by the new requirements will need to appoint a suitably qualified Covid Marshall to oversee the event in accordance with the Direction.

All that said, the Market is not a private event so the social distancing requirements and maximum room numbers will be the same as the last market, but since we have onsite purchase of food, we will be appointing a Covid Marshall. More detailed information on Covid-19 restrictions is available on our website and on the SA Government website <https://www.covid-19.sa.gov.au/>.

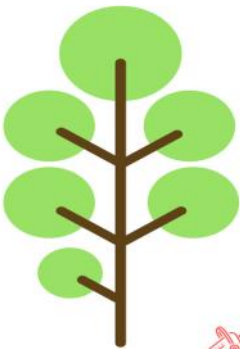

Our next meeting will be held at 7:30pm on Thursday 10Sep20; I hope to see you there.

Kind Regards,

Steve Huckstepp, President, One Tree Hill Progress Association / president@onetreehill.org.au

Playford Council ~ Local Councillor's Report

Dear Fellow Ratepayers and Residents,

It was fantastic to see return of the One Tree Hill markets in August. I attended the market with Mayoral Candidate Shaun Reardon to meet and listen to the residents. Thank you to everyone who came along to discuss their issues and concerns about the City of Playford.

This month for the September OTH Markets, I've invited our Mayor for the City of Playford - Glenn Docherty to join me to listen and engage with the local community. I am pleased to advise that he has accepted the invitation and will be in attendance between 9:30am to 10:30am.

In November 2019 at the Ordinary Council Meeting I moved the Motion on Notice – Fire Safety and Verge Mowing (Council Resolution 3836). I understand the difficulties with COVID-19, however the engagement process with the community seeking public feedback on our current processes has been a long time coming.

As part of the consultation process there will be an article in the Playford News covering the Verge Application Process, City Operations Current Verge Tractor Slashing Program, Native Vegetation & Bushfire Management and Having Your Say. There will be a targeted direct mail out (via Australia Post) to Ward 1 & 3 residents. The postal mailout is planned to be aligned with the Playford News distribution on the 14th and 15th of September 2020. The verge mowing, maintenance and fire safety has been one of the largest concerns raised to me since becoming an elected member. Please ensure that we all support this process and Have Your Say.

I'm looking forward to the One tree Hill markets in September, hopefully see you there.

If matters arise that are of concern, please contact customer service on 82560333 or Visit Playford Online services or give me a call. Keep yourself informed on current matters and follow Cr David Kerrison – City of Playford on Facebook.

Best wishes and regards,

Cr David Kerrison / Phone: 0478283879 / Email: crdkerrison@playford.sa.gov.au

ONE TREE HILL PLAYGROUP

One Tree Hill Playgroup has finally reopened! It's been a strange year for Playgroup; the year had barely started and we had to close our doors so we're delighted that the group is up and running again.

It was lovely to

see the children playing together again after such a long break, and the parents and grandparents reconnecting with each other (while social distancing of course!)

2019 was a great success for the group with several new families joining. We had a busy year which included our annual Easter egg hunt around the playground and adjoining garden, and our Christmas Party complete with presents from Father Christmas. But the highlight of the year was a visit

from Old MacDonald's Travelling Farm on a rainy December day. Despite the unseasonal weather, piglets, kids, lambs, rabbits, ducks and chickens were all stroked and cuddled amid much excitement. Feeding the animals was a big hit with everyone, adults included!

Playgroup meets on Mondays at the Institute from 9.30 - 11am, and new members are always welcome. Currently the children range in age from 5 months to 5 years with many from One Tree Hill and a number coming from the surrounding areas too. Unfortunately the group is looking a little different at the moment due to our covid-19 precautions so we can't offer all our usual activities and toys but we're making the most of being able to meet again.

Please contact Charlotte on 0426978262 if you are interested in finding out more.

OTH Couple Celebrate 60 Years Diamond Anniversary

On 3rd September, long-term residents of OTH, Anne and Ken Young, celebrated their 60th Wedding Anniversary. Anne and Ken were married at Christchurch, in Luton, England in 1960 and emigrated to Australia a few years later.

Anne and Ken have lived on Tyeka Drive for more than 40 years and remain very passionate about their 10 acre property filled with so many happy memories.

Anne loves knitting and one of her favourite places to be is in the garden. A dedicated member of the OTH Uniting Church for many years and she enjoys strolling around the OTH Community Market, lending a hand when possible.

Many locals will remember Ken as the driver of the OTH Primary School bus and an untold number of teenagers were taught to drive by this kind-hearted, patient man. Ken loves his faithful dog Rani, and enjoys watching the Crows play from the comfort of his armchair.

They are the foundation of a loving family of 4 generations, with 3 daughters, 9 grandchildren and 1 new great-grandson.

The One Tree Hill Community means the world to Anne and Ken. Together, with countless valued friendships, strong neighbourly connections and a doting family ... we say CONGRATULATIONS! to this devoted couple on 60 wonderful years of marriage. A forever love shared between a couple who are forever Young.

Article & Photos by Jacqui Bond

At..... One Tree Hill

Saturday 31st October from 5pm

Hi, I am organising the Halloween Trick or Treating event for the kids of One Tree Hill (and surrounding area). This year Halloween falls on a Saturday and after the year that we have had, it will be nice to bring some fun back to the local community.

This year we are meeting at the playground at McGilp oval. We will have a BBQ provided by the CFS and proceeds will go to CFS. (We can get some dinner into our kids before they fill their bellies with lollies!)

Once again I am seeking local residents to register their homes and we will put those homes on a map and have the kids trick or treat to those homes only. If you need help with financing cost of lollies, I have some funds provided by the OTH Progress Association which can be used to reimburse you.

The past two years have been extremely successful and the kids have had an absolute ball.

If you have children who would like to participate and/or to register your home as one that the kids can visit, please contact Tanya on 0414 828 981 or email tanyaabela@bigpond.com.

Thanks in advance and we look forward to the wonderful costumes and fun of Halloween!

What's Flowering In My Garden?

Winter is certainly upon us with some cold blustery days as well as some very welcome showers and, at times, rain. My garden and our roadsides have been brightened by the many golden blossoms from all the flowering Wattles that are now in full bloom. What a brilliant sight to enjoy.

One wattle, *Acacia myrtifolia*, grows locally in the One Tree Hill area as well as the forested areas of Para Wirra and adjacent bushland areas. This medium sized rounded tree with purple/brown branches and stems will grow approximately 1m to 1.5m high and wide. It bears smooth leathery elongated leaves that display prominent midribs and yellow edges. During Winter this small tree is covered with many small bunches of pale yellow to pinkish red round flower buds that open to reveal many beautiful soft yellow ball shaped flowers. Many insects visit this plant and thus pollinate the flowers. Nearby, another *Acacia myrtifolia* has dark green branches and stems and displays flower buds that are of an orange pink red shade. The different colours exhibited by these two plants are examples of the diversity of the plant species. Reddish brown wavy seed capsules are produced with the seed being released when the outer seed casings twist open during warm to hot weather in late Spring or early Summer. Many birds eg Parrots and Pigeons will feast on the seed that has been shed and they share the seed with foraging ants. *Acacia myrtifolia* is not a long live plant and may become a little untidy. It can be grown easily from seed or purchased as a seedling from various Native Plant Nurseries. You may find this Wattle amongst the many plants that will be available from the Native Plant Sale to be held at the Wayville Showgrounds on Saturday 12th and Sunday 13th September.

Acacia myrtifolia is a lovely flowering small tree that is a welcome addition to any garden as it provides a stunning beautiful splash of soft yellow throughout the garden at the end of our Winter.

Just Beautiful.

Finding it difficult to buy consistent, quality beef?
Why not give us a try?

As well as our \$225 15kg meat box and our sides of
beef, we have our vacuum packed beef available every
day at the One Tree Hill General Store.

The vacuum packing process removes air from the
packaging, not only making it
easier to store without all those
bulky trays, but also greatly
reduces the risk of bacterial
growth, and increases shelf life.
Our butcher recommends 30 days
in the fridge from the packaging
date – which can be easily found
on the product.

OTH Tennis Club — New Players Needed!

One Tree Hill Tennis Club is looking forward to the coming summer season. We are a small and friendly club who try to cater for all levels of players.

For the upcoming season we would like to enter a boys and girls junior team in a Saturday morning competition.

For younger children just learning, we have a sub-juniors programme to teach skills and learn about the game, which we run one afternoon each week.

We are also looking into social tennis for any adults interested in having a relaxed hit and a bit of banter on a week night.

Sound great? Please give us a call. We'd love to hear from you.

Gary Evans 0415 399 658 / Lee-anne Voigt 0414 718 501

OTH Scout Group Update

One Tree Hill Scout Group is well and truly back to real scouting again. Our scouts have already had a couple of camps, including fishing, paddling, leadership and patrol based camping. OTHSG has leaders who are qualified in paddling, and with our own kayaks and canoes, we are able to provide our youth with exciting opportunities for adventurous outdoor activities. For the younger sections, the senior cubs have had a senior cub camp at Mt Crawford, with a full pack camp planned this month at Woodhouse Activity Centre. The joeys are having a sleepover soon too, while exploring their them of snow for this term. Joeys have also invested a new leader named Wallaby to volunteer alongside Rainbow Lorikeet and Echidna.

One Tree Hill Scout Group currently have vacancies for joeys (age 5-8), scouts (age 11-15) and venturers (age 15-18), and we are always interested to hear from adults who wish to become a leader! Contact Group Leader Mike Branson for 3 free visits, on 0430 422 895.

Mindfulness...

A Mental Health & Wellbeing Article by One Tree Hill Local Natasha Steen

You might have heard the reference to "mindfulness" ... You might have taken little or no notice of this popular concept that seems to be floating around the media! Maybe you have given it a moment of interest but quickly dismissed it as not for you! Or just maybe you are aware of mindfulness and practising this in some way or maybe you are interested and want to know more.....

By taking a moment to read this brief article I am hopeful that you might consider that there is a place for some mindfulness for you in some shape or form. It need not be another thing to do or a fancy process - just learning a different way of focussing and thinking.

Mindfulness can be defined as a mental state where we are conscious and aware of the present moment we are in. Most people know of this as a meditation technique, where a

counsellor may support you to bring calm to your mind and be more accepting and aware of your current feelings etc. Practising this technique can also be done through a range of online "apps" that show us how to slow and clear our thinking. If you are interested in this - I particularly like the "Insight Timer" app - this has 100s of free meditation and relaxation sessions that you can listen to and relax with. These sessions range from 2 mins to 2 hours.

(continued next page...)

WE NEED MORE PROPERTIES NOW

Spring is here and so are the buyers. Over the last couple of months, our buyer enquiries have kept us very busy and we continue to see buyer confidence increase.

Buyers are competing for properties because there is a lack of new properties on the market. In fact, we recently advertised a property for sale and it was **UNDER CONTRACT within days!**

If you are thinking of selling, now is the time to call CE Property Group for some helpful information. Don't wait for the media to tell you that it is a perfect time to sell because buyers are looking for their next property today!

www.cepropertygroup.com.au
Birdwood • Mannum • One Tree Hill
0488 972 888 • mail@cepropertygroup.com.au

CE PROPERTY
GROUP *Real Estate with a difference!*

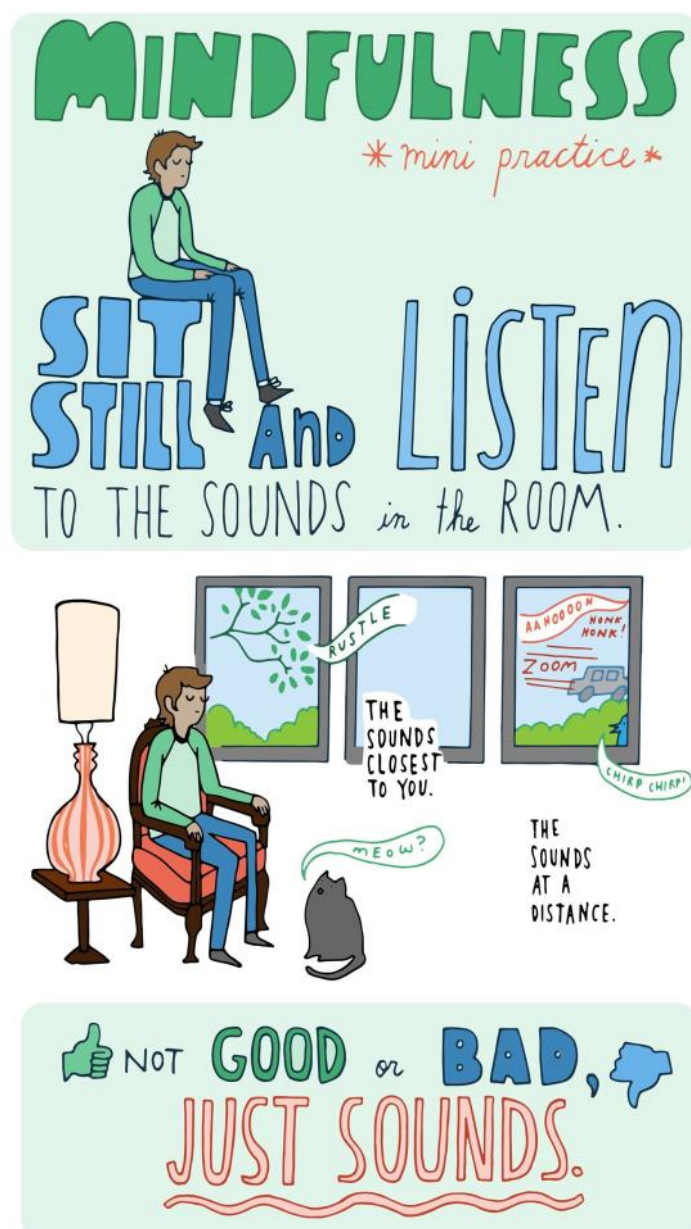

Mindfulness...

The true secret to this concept is not just spending a 2 min session once per day or once per week. But learning how to take mindfulness into your day and through your interactions. It is yet another example of a simple thing we can control that can make our ride in life a little more enjoyable!

We live in a busy world where multitasking seems to be a sign of success. We place pressure on ourselves to go faster to supposedly feel we are succeeding. So how can you actively take charge to find the joy in the little moments. How can you take note of the "here and now" and not have your mind racing in a million different directions? Here are a few tips;

- Try practising mindfulness when you are doing routine activities. Think of routine things you do every day - like brush your teeth, maybe make your bed (!?) or hang out some washing. Instead of pushing through the task with your brain working frantically. Try taking notice of the simplicity of what you are doing and using these patches in your day to actively slow down. Breathe, feel your feet on the ground and notice the moment.
- Have a go at practising when you first wake up. Yep invest a wee bit of time before you rush by quietly thinking calm, grounding thoughts before your busy day begins. Taking this time to breathe and clear your head can really set the tone for your day.
- Through your day - let your mind relax and wander for sure! This is healthy too but do learn to teach yourself to gently and lovingly come back to the moment.
- Pick a prompt that you can use to teach yourself to be more mindful. For you, it might be a cup of tea, time sitting next to your dog, looking at a favourite photograph or a certain item you walk past . Use this prompt to remind yourself to take time for this mindful mode.
- Take notice of the little things around you - stop and truly focus on one conversation at a time. We might think we are more efficient by talking on the phone while we drive or playing an online game while we have a family chat but consider the gains of one thing at a time.

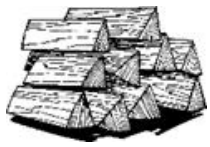

By practising mindfulness we can train our brain to be more efficient - it helps us to be less distracted and more focussed. Please reach out if you would like to know more.

Article by Natasha Steen

Natasha is a local One Tree Hill resident, proud Mum of 2 daughters - plus Dusty the Dog! Natasha - amongst other things - has her own Counselling and Coaching business. She has over 24 years of experience in this work and takes pride in supporting people to nurture their health by adopting simple things that really work to improve day to day living.

Next OTH Progress General Meeting

Thursday 10th September @ 7:30pm
OTH Institute, Black Top Rd, One Tree Hill

PLAYGROUP IS BACK!!

Limited time 9:30-11am, but please contact Charlotte beforehand to register, due to social distancing number limitations.

For children 0-6yrs – Learn through play! Children have fun, learn and develop new skills and explore through play, painting and arts and craft.

Inside and outside facilities at the One Tree Hill Institute.
New members always welcome.

Contact: Monday: Charlotte / 0426 978 262

SENIOR CITIZENS

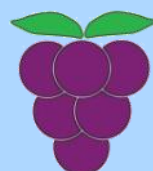

If you are over 50 years of age you are welcome to attend the One Tree Hill Senior Citizens. Our senior members of our community and surrounding neighbourhood meet:

Every 2nd Tuesday 1:30-4pm
Please contact Louise

There is a variety of activities to come along and enjoy. Their favourite being Carpet Bowls! Wonderful company, general chit/chat and a great environment to spend your Tuesday afternoons. All welcome.

Contact: Louise Niva / 0409 315 625
