From Behind the Desk...

Welcome to the August issue of the One Tree Hill Grapevine! Our cover page features OTH cub scouts during their camp at Para Wirra. While I've been compiling this issue, we have entered a 7 day lockdown. It's a tricky time for everyone, but please remember to stay safe, look out for each other, and support your local businesses wherever possible. Fingers crossed we can return to our normal activities soon. There is plenty to read and digest in this issue to distract you!

Please keep in mind that any activities advertised in this issue of the OTH Grapevine may change at any time due to the changing status of Covid restrictions, so keep yourselves informed.

As always, please email grapevine@onetreehill.org.au if you have anything you would like to share with the community.

Permanent Generator for One Tree Hill, Protecting our Community:

One Tree Hill residents told me they have been lobbying for a permanent back-up generator for the One Tree Hill water supply for over a decade.

My thanks to the One Tree Hill community, including One Tree Hill Progress Association, for bringing this important matter to my attention during my door knocking and listening posts so we could work towards a solution.

I am excited to report that SA Water have advised they will now connect a permanent generator to the One Tree Hill water pump station by the end of the year.

This will importantly allow the back-up generator to automatically come into operation in event of a power outage.

In January 2021, I convened a meeting to identify a solution with key stakeholders including the Office of the Minister Environment and Water, Office of the Minister for Emergency Services, SA Water, CFS, One Tree Hill Progress Association and the City of Playford.

I thank each of the attendees for their contribution and collaboration which has resulted in a very positive outcome.

PAULA LUETHEN MP
MEMBER FOR KING

Authorised by P Luethen, Suite 1, Lvl 1, The Grove Shopping Centre, Golden Grove SA 5125.

Love buying our beef but looking for larger quantities? We have two options available for you! These are:

As sides of beef for \$12.00 per kg carcass weight. The average side weighs approximately 100kg.

As a 15kg meat box for \$240.00. This has an average of 8kg premium cuts and 9kg of other items in it. The approximate breakdown of a meat box can be seen below:

Cut of Beef	Average Amount in Box
Rump	0.800 – 1.000kg
Porterhouse	0.800 – 1.000kg
T-bone	0.800 – 1.000kg
Scotch	0.800 – 1.000kg
Eye Fillet	0.250kg
Thin Sliced Steak (suitable for schnitzels, stir fry, sandwiches)	2.000kg
Mince	3.000kg
Sausages	2.000kg
Spare Ribs	1.500kg
Slow Cooking Steak (i.e Chuck, Gravy, or Osso Bucco)	3.000kg

There are limited numbers of this available per month, so there may be a short wait for your bulk order. For further enquiries, please contact Sarah on 0402 099 106

One Tree Hill Progress Association ~ President's Report

Dear Residents,

This last month has brought a welcome letter from the Member for King Paula Luethen regarding the successful grant bid for the purchase and installation of an auto-switch generator for the town water supply. The works are being done by SA Water and are due to be completed by December.

What does this mean? It now allows for water pressure to be maintained during power outages but more importantly, during the bushfire season, allows for the choice to defend or flee the oncoming fire. Whilst not advocating families put themselves in harm's way, we do now have a choice. As always, have a bushfire survival plan prepared and ready to be enacted. More information can be found on the CFS website:

<https://www.cfs.sa.gov.au/warnings-and-incidents/stay-informed/>

This has been an ordeal of more than 10 years for residents and Progress and would like to thank Albert Baggs (deceased), Lance Walter (deceased), Peter and Margaret Watson, Ken and Pat Jones in the first instance and Ian Slater for continuing to write letters, grant applications and numerous phone calls.

Special thanks to Paula Luethen MP and her office for advocating our story and grant applications to the Minister for Environment and Water, the Hon David Spears. To Rhiannon Pearce, Labor candidate for King and Ashton Hurn, Liberal candidate for Schubert. City of Playford Cr David Kerrison and Cr Clint Marsh for the energy and doggedness. Thank you for listening and for your actions are very much appreciated!

I am still seeking feedback for the CFS Siren on Karwin Road. At the moment the siren is not working and we are seeking any feedback from residents in the area, good or bad, about the viability of the siren into the future. No responses have been received as yet.

Our Treasurer, Steve Huckstepp and Hall Manager, Pat Jones have had a busy 3 weeks with 3 new COVID Management Plans. Thank you both for the long nights of reading and application writing to the State Government.

I am meeting with a member from the office of Mr Nick Champion MP in late July to discuss future Federal Government Grants and hopefully get a plan on how best to proceed.

Progress is here to support our local community and we would love to see and hear from you. Our meetings are held at the One Tree Hill Institute on the second Thursday of the month starting at 7:30pm.

Kind Regards,

Graham Watson

President, One Tree Hill Progress Association, president@onetreehill.org.au

One Tree Hill CFS ~ July Report

The wild and woolly weather which started in the middle of the month has led to a plethora of callouts for trees down during July, including 6 within one 13-hour period. The long list is as follows:

July 15

- 7:13 PM Medlow Road, Uleybury
- 9:44 PM Precolumb Road, One Tree Hill
- 10:24 PM Blacktop Road, One Tree Hill

July 20

- 7:35 AM McGilp Road, One Tree Hill (Tree on powerlines)
- 7:49 AM Rose Court, One Tree Hill

July 16

- 3:39 AM Humbug Scrub Road, Humbug Scrub
- 4:58 AM Yorketown Road, One Tree Hill
- 10:27 AM Sheoak Road, Humbug Scrub

July 24

- 1:44 PM One Tree Hill Road, Gould Creek
- 5:00 PM Bassnett Road, Humbug Scrub

There were five vehicle related callouts, two in the new section of One Tree Hill Road near Melville Road. One of these involved a car which hit a tree and then ricocheted into a second tree causing significant damage, the other was for a fluid clean-up from a motor bike which had come unstuck after hitting the edge of the new bitumen. Although it is an improvement over the old road, this is still a very new section of road and is not yet finished, so please take care when driving in this area.

In addition, there was a callout for roll-over on Humbug Scrub Road near Para Wirra, one for a 2 car MVA (Motor Vehicle Accident) on the corner of Crosshill and One Tree Hill Roads, and one to assist a driver get their car off the road after it had broken down on the Kersbrook Road.

Finally, in a change of pace, we were called to assist the MFS for a house fire in Hillbank but received a Stop on Call for the incident prior to arriving.

Thank You

A big thank you from all the members of the Brigade to the members of the community who give us donations, many of them anonymously. These generous donations are used by the Brigade to purchase extra equipment which supplements the equipment provided by the CFS. Examples of major items we have purchased in the past include a TIC (Thermal Imaging Camera), which enables us to find hot-spots at bushfires which are not otherwise visible, and the extensions to the fire-shed which provides a dedicated facility for recommissioning our Breathing Apparatus (BA). We have also been able to re-furbish our kitchen which is the envy of many visiting Brigades.

As this article is being written the State once again finds itself in the middle of another COVID lock-down. We wish all residents of the One Tree Hill area the best of health during this difficult period and rest assured the Brigade has put in place measures to enable us to respond to all callouts during the period.

One Tree Hill Rural Watch ~ Crime Report

Offences Reported between 15th June — 14th July 2021

For the first time in 28 years of providing OTH Grapevine reports, there are no crimes to report this month!

Although it has been very quiet in the One Tree Hill area for victim reported crime, with the wet weather now in full force for the area, Police are urging drivers to be aware of the change in conditions and to drive accordingly. This includes reducing speed and ensuring appropriate distance is in place between vehicles to allow sufficient stopping space is available if needed to avoid rear end collisions (which are the most common form of collisions).

SOUTH AUSTRALIA POLICE
KEEPING SA SAFE

As always, if you have any information to assist with any crime issues in the area please call Police Communications on 131 444.

Event series #12

“WEED DATING” WORKSHOP 01

Weed dating is a fast, fun workshop learning about weeds of the here and now and how best to deal with them.

First workshop – “Spring Weeds and Winter Mop Ups”

A workshop style presentation for anyone wanting to understand:

- Current weeds in their landscape; Artichokes, Watsonia, Olive, Cape Tulip and Cape Weed
- Weed ecology, growth habits, seed viability and longevity
- Control options, but it's not all about chemicals!
- The basics (Integrated Weed Management / Apps / Safe Chemical Use / Hygiene)

Workshop Hosts Presented by members of the Northern Foothills Land Care Group who have a wealth of knowledge in plant ecology, weed control and sustainable land management.

Date: Tuesday 24th August 2021

Time: 6.45 for 7pm start

Where: One Tree Hill Institute, Blacktop Rd

Cost: gold coin donation

For enquiries and registration **Please RSVP:** Bek at
nflcg@outlook.com or ph 0423 392 009

This workshop is supported by City of Playford and Green Adelaide and will be run as a COVID responsible event. If you feel unwell on the day please do not attend.

Playford Council ~ Local Councillor's Report

Dear Fellow Ratepayers and Residents,

It is fantastic news for the One Tree Hill Township residents to hear that the long awaited on-site auto switching backup generator will now be funded by SA Water and installed towards the end of the year. Excellent work by the One Tree Hill Progress Association and everyone involved across our local community. This is a testament that strong advocacy can deliver for our local community!

Thank you to our local MP – Paula Luethen for her advocacy in this process. I have also followed up with Paula and her office expressing the importance of the auto switching generator being delivered by the start of the fire season. If SA Water can prioritise the delivery, it would be appreciated. Paula's office has indicated that they will be following up with SA Water.

On Thursday the 15th of July it was a pleasure to attend the King Grant Information Workshop (pictured right) with the Hon. Corey Wingard, Minister for Recreation, Sport and Racing with fellow elected members Mayor Docherty and Councillor Gossink. It is excellent to hear the City of Playford receiving positive feedback on its grant applications. The City of Playford will be relodging its application to the State Government Office for Recreation and Sport in the new round of funding for the McGilp Recreation Park.

In discussions with Paula Luethen we've learnt of a new grant with a pool of funding that's about to be released. If the City of Playford were fortunate enough to be successful on both grants for McGilp, it may be possible that McGilp could be delivered uniformly. This leads me to the Petition seeking Paula Luethen MP to obtain the commitment of the State Government to allocate at least half of the funds towards the entire upgrade of McGilp Recreation Park. It would appear that Paula is unable to seek the commitment of the State Government and will continue to offer support in the competitive grant application process.

Thank you to all the residents that have raised their concerns with the One Tree Hill Road upgrade. I have met with our General Manager of City Assets along with one of our engineers and the project manager from the City of Playford onsite. While the City of Playford is working on resolving many of the concerns I would encourage residents to report the concerns to the City of Playford and the City of Tea Tree Gully via the customer service centres. At a recent community engagement in Hillbank held by Paula Luethen, I did raise the need to have a community engagement to bring the residents from both Councils together. Paula indicated that she is happy to take the lead on the engagement.

As your elected member for the City of Playford you may see me out and about with our local MP – Paula Luethen and the Labor Candidate for King – Rhiannon Pearce. It is my intention to work apolitically in the interest of our City of Playford residents that are in King.

As I come to the end of this month's Councillor's report the SA lockdowns have commenced. Wishing everyone well in these difficult times.

Best wishes and regards,

Cr David Kerrison

King Electorate News Editorial

The One Tree Hill Grapevine and the One Tree Hill Progress Association remain apolitical, however at times, politicians may wish to communicate with OTH locals about topics or decisions made which are relevant to our town.

In the lead-up to the next State election in March 2022, the One Tree Hill Progress Association has agreed to publish a short (1/2 page maximum) editorial, free of charge, submitted from any political candidates who have declared their intention to stand for election in the State electorates of King or Schubert. The purpose of the editorial is to introduce the candidate to the local community and explain their background and focus. The Grapevine editor reserves the right to edit/refuse editorial submissions if they are largely a party-political statement. Any of the eligible candidates are able to pay for political advertising in the Grapevine and these will be accepted where space is available and the content is relevant.

Equal exposure has been offered to politicians in this issue, and future issues of the OTH Grapevine, keeping the best interests of all One Tree Hill residents in mind so that they may stay well informed about important local issues.

August 2021 Editorial is submitted by Rhiannon Pearce (Labor Candidate for King)

I know how important locals think it is to be part of a safe and prepared community.

People in One Tree Hill told me as much recently when the Federal Member for Spence, Nick Champion MP and I met with Cr. David Kerrison (pictured right, with permission), and representatives from the One Tree Hill Progress Association.

We got the clear message that they wanted to see some improvement in fire safety by sourcing a back-up generator to prevent loss of water supply to the township in the event of a power failure.

Nick and I were determined to lend a hand and I'm thrilled to say that by working together, the One Tree Hill township has won!

SA Water has agreed to provide a permanent generator – making the town safer going into the next fire season.

We also promised to help locals in Hillbank do more to raise the issue of anti-social behaviour in the suburb. It seems that a few of the hot spots occur on roads that lead up and into One Tree Hill.

After my Crime Forum in Hillbank, I worked closely again with Councillors from the City of Playford to action the requests of the local community, and now portable CCTVs will be installed to stop illegal dumping, hoon driving and graffiti in the area.

This is an issue that I will continue to keep an eye on and, as always, I'd love to hear from you if it's something you're concerned about. Contact me on this – or any other issue – on 0451 695 400, or rhiannon.pearce@alpsa.org.au.

Are You Feeling It?

A Mental Health & Wellbeing Article by One Tree Hill Local Natasha Steen

Some people drink it, some smoke it, some will gamble it, others will hide it, some people argue it...or others just "FEEL IT"!! What am I talking about? ...I am talking about the emotions that come out of our life experiences.

I will give you a few examples to explain what I am on about!! Someone has experienced trauma....they shut down, become quieter, more reserved and may turn more to smoking (for example) and don't ever properly feel it, and seek help around the impact. Another example is where a person may be afraid of grieving...a close friend dies and they push it aside saying "I will be alright" ... When clearly they are not... They think they don't need to attend to their feelings as they not sure what they would do if they did.... So they just soldier on, but find themselves worsening their gambling habits.

Other people can be really aggressive and this may be because they are not owning their feelings and allowing themselves to feel them and instead taking this out on others. Related to this - I recall a person who had deep feelings of "poor self esteem" that they were denying. So instead of taking some ownership around this, they continue with angry outbursts etc to deflect away from feelings that have never been dealt with.

The research shows us that denying feelings, ignoring and putting them aside, can make these emotions more intense.

What are some of the typical reasons that people hide/mask feelings?

- To avoid showing 'weakness'. Showing emotion can put you in a vulnerable place, and it's pretty normal to want to avoid exposing vulnerabilities to others.
- To avoid getting hurt. People often hide emotions to protect their relationships or avoid conflict
- Lack of confidence. If you grew up receiving the message that your opinions and feelings don't matter, you'll likely learn to hide your feelings from an early age.

By not allowing yourself to feel and express emotions the following can happen;

- Negative impact on your communication - you are not as clear and honest with people around you.
- Conflict with people you care about
- The negative feelings can become even more intense
- Build up of stress in the body. Unaddressed stress tends to linger in the body, where it can contribute to diabetes, sleep issues, high blood pressure or even heart problems.

The first thing I do when I meet people who start to share personal things that are causing them some angst is to commend them. I encourage people to give themselves a pat on the back for reaching out to talk to a counsellor. These people have taken the first step ...they have reached out and are "feeling it"! ***Are you feeling it?***

(to be continued next issue)

Natasha is a local One Tree Hill resident, with her husband Craig, and 2 daughters - plus Dusty the Dog and Marlo the Puppy! Natasha - amongst other things - has her own Counselling and Coaching business. She has over 24 years of experience in this work and takes pride in supporting people to nurture their health by adopting simple things that really work to improve day to day living.

What's Flowering In My Garden?

Winter has arrived with cold days and nights and some very welcomed rain. Some local dams are full and overflowing but the sub soil in places is still powdery dry, requiring more steady ,soaking rains. With more rain forecast, let's hope that we receive some useful precipitation.

The Hakeas have almost finished their stunning Winter display and some Eucalypts are still flowering, providing nectar for many birds and bees. The Correas, also known as Native Fuschias, are in full flower at the moment providing many displays of brightly coloured flowers in many shades of white, cream, red, orange and pink.

One Correa that caught my eye recently is Correa glabra variety turnbulli "Barossa Gold". This highly ornamental plant has grown into a low mounded shrub approximately 1.5 metres high and wide. It bears many small elliptical shaped leaves that are of a lime green to mid green shade with the addition of gold overtones when grown in full sun. If "Barossa Gold" is planted in full or part shade it's leaves will be quite a darker shade with less golden shading. This stunning shrub bears lovely dusky red pendulous bell shaped flowers that are visited by many bees and nectar seeking birds , for example New Holland Honeyeaters. "Barossa Gold" is a low maintenance Correa that grows in well drained moist soils, but may need a little extra water of Summer, and is a great plant for small spots in any garden. Once established, it is frost and drought tolerant. Give this stunning Correa a good prune after flowering to prevent it from becoming too straggly. The new growth will provide a mass of brightly coloured foliage followed by beautiful red flowers and you may find that the New Holland Honeyeaters and the Blue Wrens will nest and rear their young in a mature Correa bush. This beautiful Correa is available at good nurseries.

Correa glabra, a stunningly beautiful shrub that brightens up a Winter garden.

Just beautiful.

SUPPORTING OUR COMMUNITIES

At CE Property Group we value the communities in which we work, live and play and we believe in giving back in various ways.

From 1 July 2021 to 30 June 2022, we will be donating \$100 from every property sale to the Mannum RSL fundraising initiative which seeks to build a dedicated premises for its members.

In 1919, the Mannum RSL sub branch was established to support returned veterans and widows of ex-servicemen yet the sub branch has been without a premises for almost 100 years. The vision of the Mannum RSL is to have a dedicated Memorial facility where memorabilia can be displayed and, most importantly, the names of people who enlisted in Mannum and the Aboriginal people local to the Mannum area who served since WW1 can also be presented. The Mannum RSL also serves the community by working with the retirement village, mentoring students at the local school and supporting local community clubs.*

If you would like to know more about this initiative or would like information about selling your property with CE Property Group, please call 0488 972 888 and a member of our team will be happy to assist you.

*Information provided by the Mannum RSL Sub Branch Vice President in March 2021

CE PROPERTY
GROUP

20 Years of Service Appreciation – Zena Birtles

For more than 40 years, CE Property Group (previously Country Estates) has been providing a quality real estate service to people within the Adelaide Hills, Barossa Valley, Murraylands and the suburbs of Adelaide. With their mission 'to do real estate differently' the agency has been committed to delivering a more rewarding experience for their clients.

Agency owners, Mark and Deann Watkins, know their employees are their greatest asset and are the foundation of the agency's success, recognising that each person contributes unique skills and attributes to the team.

This month, CE Property Group wishes to acknowledge and express gratitude to Zena Birtles who has been an integral member of the team for 20 years.

Zena has lived in the Adelaide Hills for many years and originally joined the agency in Birdwood in August 2001 as a part-time HomeFinder; a position she excelled in. Zena has, over the years, built a special rapport with new and long-standing clients and she takes great care to understand and help people with her kind and compassionate nature. Many people have spoken with Zena at some point in the last two decades and a conversation with Zena is easily remembered by her delightful English accent.

Over the years, Zena has seen the business and the real estate industry change. She has developed her knowledge and skills, and her role at the agency has diversified to include critical administration procedures and front office management. Zena is predominantly located at the Mannum office and will always greet you with a warm smile and kind words. She prides herself on her attention to detail and commitment to keeping client information as up to date as possible. Zena enjoys supporting her team mates which is reflected in her loyalty, dedication and passion for her work and ultimately the agency's clients.

Mark Watkins, CE Property Group Director, stated **"Loyalty is not just length of time, it's what you do within that time and Zena, who always goes beyond the call of duty, is the epitome of loyalty. Zena has such an amazing way of speaking with clients which puts them at ease. She is an absolute treasure to this team and we're very grateful that she has chosen to remain with the business over the course of time. We are proud to watch her grow and learn as the years pass and look forward to working with her for many more years."**

Zena, Congratulations on your 20 Years of Service! Thank you for the many years of service and your dedication to making the CE Property Group Mission, Vision and Values come true every day for every client.

CE Property Group have offices in One Tree Hill, Birdwood and Mannum and have been providing real estate services since the 1970s. Visit www.cepropertygroup.com.au for more information on their services and team.

One Tree Hill Institute Hall Hire

The One Tree Hill Institute is a beautifully maintained building with two inter-joining large halls, a complete kitchen and bar area.

The hall has a new surround sound system, TV, microphone facilities, and heating and cooling.

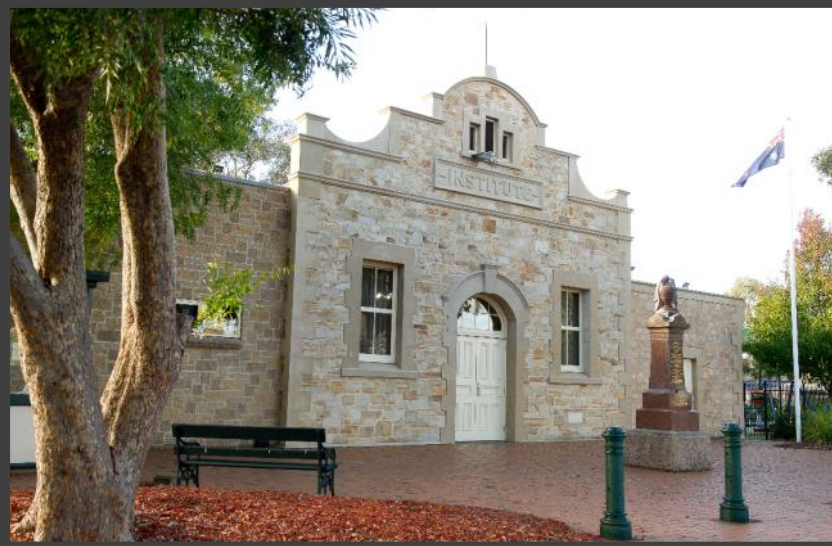

Outside you will find a sheltered playground that leads to picturesque garden areas which are ideal for photos.

The One Tree Hill Institute is an ideal location for Weddings, Engagement Parties, Birthday Parties, Reunions and Meetings.

Why not come and have a look or check us out?

Ph: 0459 105 045

Email: hall@onetreehill.org.au

Enquiries can now be made online at <https://onetreehill.org.au/index.php/hall>

One Tree Hill CFS have responded to lots of fallen tree callouts due to our stormy weather conditions lately.

One Tree Hill Uniting Church

Our Vision - "People of Faith, sharing God's love as we Worship & Serve in the Community"

The following Services & Events will be held - Covid-19 Restrictions allowing.

SUNDAY MORNING SERVICE - 10.00 am

Kid's church program runs every Sunday morning during the regular service.

WEDDINGS, BAPTISMS & FUNERALS

The church is available for the above Services. For further information please phone Edna on 8255 7987.

MONTHLY FELLOWSHIP MEETINGS

Held 4th Wednesday each month with morning tea at 10.00 am **Next Meeting - Wednesday 25th August** – focus on "Book sharing and Review"

BIBLE STUDY/FELLOWSHIP GROUP

The church runs a Bible study/Fellowship Group which is held 1st Thursday in the month - 1.00 – 2.30 pm.

FELLOWSHIP STALL — OTH COUNTRY MARKET

Our ladies will be there each month with their stall selling their usual favourites - home-made cakes, slices, & biscuits, plus plants, bric-a-brac, games, etc.

FELLOWSHIP NEWS — SIMON BRYANT VISIT

On Wednesday 23rd June, we were privileged to have Simon demonstrate his cooking skills in our kitchen. He had made 34 pies and prepared the green pea soup the previous night. He then he gave an interesting talk on the extra ingredients he was cooking to add to the soup mixture, telling us where he sources them, and how to tell which ones have been harvested and stored correctly. Simon is always entertaining and is a good educator with a wonderful sense of humour. He told us he missed the pie cart in Adelaide, and if he was able to locate one, he would buy it! Towards the end of the morning everyone enjoyed a green pea pie floater. He then told us that the rescued 'Moon Bears' had been relocated, and were happy and well looked after, having received the medical care they desperately needed.

One Tree Hill Uniting Church
Religious organisation
One Tree Hill, South Australia

Keep up to date with the activities of the church via our Facebook and Instagram pages. Or, contact 0414 727 396.

To comply with the Government Covid regulations, we were only able to have 29 visitors, plus Simon, two hostesses, and a Covid Marshall. Nine ladies from Tea Tree Gully Uniting Church Fellowship, and 10 people from the OTH "Walkie Talkie" Group were made welcome. Donations to 'Animals Asia' – Simon's favourite charity, amounted to \$143.00, and our Fellowship added another \$100.00. We look forward to Simon visiting us again next year.

Simon has a real affection for One Tree Hill, having lived here for a number of years, and attended the OTH Primary School. His mother, the late Dr Joy Bryant, asked a much loved former member of our Fellowship, the late Sybil Winsor, if she would take her sons, Richard and Simon, home after school and give them their dinner. A strong bond was formed between Sybil and Simon, and he enjoys telling listeners that Sybil made the best pastry – and he is still using her recipe. Before Simon left OTH on Wednesday, he visited Sybil's grave in the cemetery.

RED BIRD OP SHOP

Donations of second hand clothing are always appreciated, and can be dropped off at the shop.

Opening hours: 9.30 am–4pm, Monday - Friday

Address: 4 Hilcott Street
Rosewood Village, Elizabeth North.

*Our Prayers and thoughts are with everyone directly affected at this difficult time.
We pray for health and safety for all.*

One Tree Hill Cubs Para Wirra Bushcraft Camp

On a rainy weekend in late June, 21 One Tree Hill cubs, leaders and some parent helpers camped out at the Helipad campsite in Para Wirra for their Bushcraft camp for 2 nights. For many of the cubs, this was their first tent camp! The purpose of the camp was to teach the cubs our core scouting skills of bushcraft, bushwalking and camping, but most importantly to have heaps of fun with cub friends!

For many of the cubs, the highlight of the camp was the shelter building activity (see pictures on the opposite page), where pairs or groups of cubs were given a small tarp and a piece of rope each, and they had to work together to come up with a shelter using anything else they could find in nature - without damaging the environment. All of the shelters were very different, and it was great to see what they came up with!

Cubs learned about some basic survival navigation skills - how to use the Southern Cross to find South at night, and how to use an analog clock

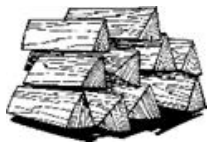

(drawn on the ground with a stick) and the Sun to find North during the day. Our friend Steve Taylor (retired Para Wirra ranger and Friends of Para Wirra volunteer) came to visit to teach the cubs about indigenous use of native plants and animals at Para Wirra to provide food, clothing and medicine. We had a walk around the campsite to discover some examples. Along with all of those skills, the cubs went on a 5km hike in the rain down to the Lake and back, and they also learned how to strike a match safely, how to build their own small fires, and they even got to cook their own hot dog lunches on their fires before the rain came and put a dampener on that activity! Lots of great scouting fun to be had!

Cubs are never all looking in the same direction!
