

This monthly newspaper is published by the One Tree Hill Progress Association. Its purpose is to share local news, views, and events. We want to encourage local people and groups to share what they are doing and to pass on items of interest to one another. We are happy to include some advertising from local businesses. Maximum size for an advertisement is one quarter of a page. Deadline for the next issue is Friday 29th April 1994. Details may be left at the One Tree Hill General Store, or phoned to Jill McLatchie on 2807214. It would be appreciated if items for publication were handed in well ahead of the deadline date.

CFS NEWS

It's been a quiet month for the CFS with only 2 call outs to minor fires. This is good news but don't let's forget our CFS still needs to raise money. The community can help by donating all those beer, soft drink, wine or plastic drink bottles. They can be left behind the main shed at any time.

News & views from your councillor

Dear Residents,

I must apologise to those of you who went to dump rubbish in the hopper on Saturday 19 March only to find it not there. The hopper has always been placed at One Tree Hill from the first Saturday in December to the second Saturday in March. Unfortunately, nobody reminded us. However, in view of the fact that you are not allowed to burn rubbish in your backyard, we are going to trial a once-a-month hopper service during the winter. Its anticipated that the first day of operation will be Saturday 7 May and then the first Saturday of the month June through to November.

Recycling is going well in the township and plans are still progressing for the rural area.

Because of the continuing warm weather, the town bore water supply is being treated with chemicals (chlorine) to reduce any risk of bacteria entering the system. This will continue until tests, conducted by the E&WS, indicate that the water is back to its normal quality.

The Playgroup has certainly done a good job of their play area at the Institute and it is now much more servicable for their needs. So that it is better utilised, Council is to relocate the paving and shade cloth from the back of the Institute to the playgroup area.

Craigmore Road and the section of Potts Road within our City have been sealed, Viney Drive and Uleybury School Museum driveway have been resealed and a number of unsealed roads have been resheeted over the past month or two.

It's that time of the year again when consideration is being given to items for the budget. I am proposing the following list for the One Tree Hill area: upgrade and seal the remainder of Kentish Road, Tyeka Drive, part of Shillabeer Road, Trevilla Road, Taylors Road, Johnson Road (if the residents want it sealed) and Gulfview Drive. Upgrade drainage and paths at OTH cemetery; new toilet/shower block at McGilp Oval; improvement of reserve areas including Grandview Drive and Springvale Heights; improve streetscapes and institute landscape (especially around the back); upgrade and improve road safety at Blacktop, Crosshill and Precolumb Road junctions; and upgrade and improve landscape at Uley Chapel cemetery.

Following a community survey, traffic turning right out of Blacktop Road will be redirected along Bungarra Street to link into the John Rice Avenue intersection. Right turn into Blacktop Road from Main North Road will remain as will the left turn in and out (the same as Target Hill Road). This work will most probably start next year.

Work on Curtis Road extension and its link in with the relocation of Craigmore Road intersection should commence soon. This will give a signalised and safer intersection, a better road into Springvale Heights/Blakeview and a direct route into Munno Para West and the golf course. All Councils have now agreed on allocating the special local road grant to the construction of Medlow Road which should commence next April. It will be completely upgraded and sealed from Main North Road to Craigmore Road junction by October 1995.

The new North Lakes Golf Course is open and anybody can join or have a game. It's a community course that caters for the young and not-so-young and has programs specifically for women and aimed at school participation. You can hire all the appropriate equipment: clubrooms and refreshments are available; and you can play between 6.30am and 6.30pm. Even though it is a community golf course, membership is available. For further information contact Steve Eitzen on 284 0655.

Kind regards,
Martin Lindsell

BLACKTOP AUTO REPAIRS

EDITORIAL

You might have had a surprise this month to find the Grapevine in your letterbox. This "letterbox drop" is on a trial basis. Feedback and reactions are needed to assess if you like the new system. To help pay for the extra costs involved, we have had to increase the costs of the advertisements. Costs will now be \$25 for a quarter of a page or \$15 for an eighth of a page. Half pages and above will not generally be available. We don't want to overload the Grapevine with adverts so it becomes another piece of junk mail, but we do want to include as many local businesses as possible. We hope that local businesses will feel that the increased circulation to over 500 homes will be worth the increase in advertising costs, and support their Community Newsletter. In the same way, it is hoped that local people will support our local businesses.

On this note, it is with regret that we note that CJ's Garden Centre has closed down. Maybe if we had all supported the shop more this would not have happened. Many of us (and our gardens) have benefited from the help and advice given us by Jonathon and Chris. We wish them well in any future venture.

DID YOU KNOW - some historical facts about One Tree Hill

The One Tree Hill Post Office and General Store was owned by members of the Fiebig Family for 53 years. Mr Rudolph Fiebig who died in 1928 was one of the early Postmasters. His Grandfather, August, was famous as a maker and player of both violins and the bass viol. He used to play the bass viol at the Theatre Royal in Adelaide. They would send a chauffeur driven car up to his home to pick him up and bring him home again. One of the violins he made was sent to New Zealand for one of the leading overseas violinists to play on at some special concert arranged there. A cutting from a Victorian paper gave him great praise for the clarity of tone of the violin, likening it to a Stradivarius.

(Thanks to Mrs E.R. Hicks for supplying this item.)

HEARD ON THE GRAPEVINE

Congratulations to Ebony Bassani, 3rd in State Dressage Championships, March 18.

It's been a busy time in One Tree Hill for weddings. Toni Williams has married Trevor Hever, Corinne Morgan has married Mark Grandison, and Helen Todd has married Vic Gibson. Congratulations and best wishes from us all.

Now - who was the local hero who wore a cricket ball on his head??? Was it a roadside delivery????!!!

The Blacksmith's Inn is planning a gourmet wine dinner in May. There are plans for five courses with wine for each. The date for this gastronomic delight has yet to be fixed (see next month's Grapevine.)

Congratulations are in order for local resident, Ben Myles, who won the Junior Champion Angler of the Year Award at the Gawler Fishing Club recently. This meant Ben got the heaviest catches at the most venues. Incidentally, the Gawler Fishing Club is out to catch some new members. It's a very family orientated Club and anyone can join, from children to pensioners. This year's President is Martin Gibson, Treasurer Josie Laubsch. You can contact the Secretary, Chris Myles, on 280 7327 for further details of the fun times they all have. They meet on the first Monday of each month at the Gawler Institute to plot where the fish are going to be biting for their next venue. Both salt and fresh water fishing are catered for and fishing trips are planned for a Saturday or Sunday.

ONE TREE HILL CRAFT SHOP

The craft shop is always in need of new members. For a fee of \$10 a year you can display any type of homemade craft item or homemade cakes or jams, biscuits, etc. If you can help in the shop once a month, 25% commission is charged on non-perishable goods, 20% on perishable goods, 40% commission is charged for people who do not work in the shop. We sell knitted goods, pottery, wooden toys, calico and lace, magnets, cards, coat hangers, dried flowers, cakes, biscuits, jams, hand painted items, and much, much more, so if you could contribute or if you could make something completely different, we would love to hear from you.

If you are interested in joining our shop, phone Pam Tunn (255 1944), Sharon Knowles (255 8671) or Pam Farrington (280 7348) or come into the shop and pick up a membership form. The shop is managed, stocked and staffed By the Community, For the Community.

RULES FOR TEACHERS 1872

1. Teachers each day will fill lamps, trim the wicks and clean chimneys.
2. Each morning teacher will bring a bucket of water and a scuttle of coal for the day's session.
3. Make your pens carefully. You may whittle nibs to the individual taste of the pupils.
4. Men teachers may take one evening each week for courting purposes or two evenings a week if they attend church regularly.
5. After 10 hours in school, the teachers may spend the remaining time reading the bible or any other good books.
6. Women teachers who marry or engage in unseemly conduct will be dismissed.
7. Every teacher should lay aside from each pay a goodly sum of his earnings for his benefit in his declining years so that he will not become a burden on Society.
8. Any teacher who smokes, uses liquor in any form, frequents pool or public halls, or gets shaved in a barbers shop, will give good reason to suspect his worth, intention, honesty and integrity.
9. The teacher who performs his labour faithfully and without fault for five years will be given an increase of twenty five pence per week in his pay providing the Board of Education agrees.

OPEN 7 DAYS

PLACES TO VISIT AROUND ONE TREE HILL

How many newcomers to the area know that we have our own museum here? The Uleybury School Museum on Cornishman's Hill Road. it's open on Sundays from 2pm to 4pm and it's well worth a visit. The cost is just a small donation. While I was there the other day, I came across this gem, just one of many interesting items:

A note from George Bell

Thankyou to all those who voted for me in the Bonython by election.

The result was a splendid one for Grey Power which polled 7.34% of the primary vote.

MEET OUR COMMUNITY

Brian Stutley at the Deli

Brian was born at Kimba on the West Coast and spent his childhood there. He was called up for National Service and spent a year serving in Vietnam. After he returned he went to Cowell, worked for the Department of Marine and Harbours, and met his wife, Karen. Then went to live in Coober Pedy for the next 24 years. Brian was involved in both buying and mining opals. They lived in an underground house which they built themselves with a shovel and pick and a stick or two of dynamite. Brian said the house was great, no windows or doors and a constant temperature of 22 degrees.

Brian was very involved with the community at Coober Pedy. He managed the Miners Club for 2 years and also a Tourist Complex. Brian is also a Justice of the Peace, and is willing to witness signatures, etc., here.

Brian holds a pilots licence and has been flying for about 20 years, often out to remote areas in the Outback visiting mines and buying opal. However, he reckons there is not much money in opal and it was Karen's hard work for the Coober Pedy Council which kept them going.

Brian and Karen have been married for 27 years. He said they've only ever had one argument - and it's still going! They have lived in One Tree Hill for about 5 years, coming here originally because of their children's education. Their children, Kirsten and Dion, both went to Birdwood High School. Kirsten is now studying for an Associate Diploma in Office Administration, while Dion is apprentice Fitter & Turner.

Brian enjoys working in the Deli though the hours are long because he likes meeting people. He has lots of ideas to improve it so expect some changes in the next few months.

Editor's Note: Thanks Brian for sharing some of your life with us.

OUT AND ABOUT IN ONE TREE HILL

SENIOR CITIZENS

A great time was had by all on their day out at Freeling. They had tea and coffee on arrival, and then went on a bus tour around the town looking at all the sights. This was followed by an excellent lunch. The One Tree Hill members played bowls and cards while the Freeling group had their meeting. Afterwards they enjoyed a good afternoon tea and then got on the bus for home.

The Senior Citizens would like the community to know they have a wheelchair which members of the community can use on payment of a returnable deposit of \$20. If you would like to hire this, please contact Albert Baggs on 280 7150 or Lance Walter on 280 7259.

ONE TREE HILL YOUTH GROUP

The program for April is as follows:

April 1	No meeting - Good Friday
April 8	Eggstravaganza Night
April 15	Official Avoiding Excessive Excitement Night Mark 4

Break for holidays.

The group has been practising hard for their canoe marathon at Mannum which has resulted in a few sore places! For information on the above activities, please contact Chris Haskard on 280 7192 or Rachael French on 085 225631.

CLASSIFIED ADS:

FOR SALE: Defiant cast iron wood burning stove and flue. Takes 660mm lengths of wood - \$200. Kero heater - \$30. Pine kitchen cupboards & stainless steel double sink. Phone 280 7188 (AH)

FUNNY INCIDENT OF THE MONTH:

Local resident, Leo O'Reilly, held a lunch at his house for members of the "Tum Tum Club" (ask Leo what the Tum Tum Club does but I suspect they eat a lot!). Wanting to show his friends how to get to his place, he was tying balloons to the post at the bottom of Blacktop Road when he heard an ominous roar. Looking up he saw about 30 bikies on their Harley Davidsons riding in convoy towards him. They drew level and the biggest and most bearded bikie rode up to him. Towering over Leo he growled "where's the party, mate?" Leo froze! Luckily the others rode off so the big bikie rode off to join them. Still recovering from the thought of thirty or more unwelcome guests, he was fixing more balloons at the bottom of Frank Barker Road when he heard a different roar. Looking up he saw a convoy of 4 wheel drive cars full of kids and adults driving towards him. They too stopped and asked him where the party was! It would certainly have been some party with the bikies, the 4 wheel drivers and the Tum Tum Club! Poor Leo has still not recovered from the thought!

Editor's Note: Thanks Leo for that contribution. More funny stories would be welcome for next month's Grapevine. The Fodder Store is offering a prize of a Magnus Paten Mousetrap for the funniest incident.

ONE TREE HILL PRIMARY SCHOOL NEEDS YOU

Do you enjoy working with children?
Do you have some free time each week?
Do you have a hobby or other skills to share?

If you've answered yes to any of these questions, then
our LAP program needs YOU.

No pay, but you will have the satisfaction of making a
difference to a child's education.

Please contact One Tree Hill Primary School for more
information
Phone 280 7027

ONE TREE HILL PRIMARY SCHOOL

OUR VISION

- All Students think and act as successful learners.
- Our curriculum supports individual talents, independence, creativity, perseverance and responsibility in all students.
- Our parents, staff and students work together within a trusting and supportive environment.
- All members of our school community have the opportunity to be involved in informed decision-making.
- Our students learn in a safe, challenging and stimulating environment.
- Our school is functional and aesthetically pleasing.

ONE TREE HILL PRIMARY SCHOOL

How fortunate are the children of the One Tree Hill area! The physical environment is so attractive and the lifestyle healthy and free.

One Tree Hill Primary School prides itself on being a safe and caring community school which offers a sound curriculum and many additional programmes (Instrumental Music, Italian Language, Speech, Learning Assistance, Sport, Choir, to name a few.)

The Child Parent Centre (Pre-School) is based within the school and offers children a wonderful educational transition between home and school. Much time is spent participating in activities with the Junior Primary Classes so that when the time comes to start school, it is a natural progression, with no fear or trauma experienced by these young children.

Each year our school has some specific priorities which are identified in our School Development Plan as areas in which we will devote extra time (training and development) and resources.

The priorities this year are in Science and Technology, Environmental Education, Supportive Learning Environment and Languages other than English. If you would like more information about our school or would like a copy of School Development Plan, please contact me on 280 7027.

Barbara Anderson
Principal

CHILDREN'S CONTRIBUTIONS ARE WELCOME

The children in Room 5 at One Tree Hill Primary School have been involved with Aboriginal Studies. They have re-written the Ngarrindjeri Aboriginal Dreamtime story of the Thukeri. There are some of their stories.

Once there were two Aboriginal men and they decided to go fishing. They caught lots of fish. They decided to go back to the shore. Before they got back they saw a stranger. The stranger said "have you got any fish because I haven't had anything to eat?" They said "no". The stranger went off. Then the stranger turned back around and he said "you lied". The men started to cut the fish. Then they took the fish back to their families and they said "you lied to the stranger. Now there's bones in the fish."

By Hayley

Once upon a time there were two men. They went to the water to go fishing and caught lots of Thukeri. They saw a stranger. He said "have you got any Thukeri?" They said "no". Then the stranger walked back and then he came back. He said "you have got lots of Thukeri". He made magic. When the men cut the fish up, they saw lots of bones. They took the Thukeri home and their family said "you lied to the stranger".

By Shannon

(Thanks very much for these excellent stories.)

Bob Rowe

*** Sand * Metal * Loam * Landscape Supplies**

**Phone: (08) 280 7026
Mobile: 018 834 563**

SPORTS ROUND-UP

One Tree Hill Cricket Club

The Club fielded 3 Senior teams this year in the Para Districts Cricket Association with reasonable success. The "A" Grade being promoted to Division 1 this season had a good year by finishing third, but unfortunately losing the semi-final. The "C" Grade also had a good year by finishing fourth but also lost its semi-final by one run.

The Club also fielded for the first time for a number of years, an Under 12s. We struggled for players for the first few games but by the end of the season we had good numbers. Grant Roberts won the Batting and Bowling Trophies and Ben Schaefer won the Fielding Trophy. Other players to do well were Adam Ward, Vaughn Bastin, Ross Trimboli, Tom Buttery, Mathew Linke, Daniel Linke, David Langes, Alan Buckley and Malcolm Riach.

NORRIS PLUMBING SERVICES

MASTER PLUMBER

**Lot D, Craigmere Road, One Tree Hill 5114
Trevor - Lic. No: R19126
Phone: 254 9794 - (mobile) 018 823906**

**Electric drain cleaning, General Plumbing, Septic tanks,
Biocycle installation & servicing, Hot & cold water lines.**

The Club hopes to field an Under 14s and an Under 12s next season, so if any young lad is interested in playing cricket, please contact Brian Walter on 280 7337.

TENNIS

Division 2 Junior Boys narrowly missed getting into the finals with the scores at 3 sets each. The Seniors Division 2 and the Seniors Division 5 both lost in the semi-finals. Division 7 Juniors also reached the semi-finals. Although the teams were not finals winners, they certainly achieved their objectives in learning how to play tennis, having a good time and developing new skills. The Juniors had a break-up tennis tournament and barbecue to round off the season while the Seniors are having a break-up lunch at the Cudlee Creek Restaurant. All the Juniors received a small trophy for their participation through the season. Awards for the most consistent players were as follows:

Division 2 Boys	Jason Coombe
Division 4 Boys	Ben Edwards
Division 6 Boys	Michael Piffi
Division 7 Boys	Reece Van Der Meyden
Division 8 Boys	Guy Sapio
Division 9 Boys	Anthony Lane
Division 5 Gold Girls	Emma Hauser
Division 5 Green Girls	Candace Galpin
Division 6 Girls	Candice Van Der Meyden

EQUESTRIAN CLUB

There was a good turnout for the jumping instruction by Michael Goldsworthy with about 30 riders attending. The programme for April is as follows:

April 3 -	Novelty practice and time trial competition with ribbons to 4th place
April 17	NERC dressage and show jumping teams at Paracombe Oval (No rally at club grounds)
May 1	Open dressage day for everyone. 10am start at club grounds.
