ONE TREE HILL

May 1994

GRAPEVINE

This monthly newspaper is published by the One Tree Hill Progress Association. Its purpose is to share local news, views, and events. We want to encourage local people and groups to share what they are doing and to pass on items of interest to one another. We are happy to include some advertising from local businesses. Maximum size for an advertisement is one quarter of a page. Deadline for the next issue is Friday, May 27th, 1994. Details may be left at the One Tree Hill General Store, or phoned to Jill McLatchie on 2807214. It would be appreciated if items for publication were handed in well ahead of the deadline date.

ULEYBURY SCHOOL MUSEUM needs your help to survive. The small committee and band of volunteers who have cared for the museum over the past 15 years has dwindled to a level whereby the museum could be forced to close. This would be a great loss to both the Council but more importantly to us, the residents of One Tree Hill.

I invite you to attend a meeting, commencing at 8pm on Monday May 23 in the museum which is located on Cornishman's Hill Road to discuss the future of this important part of our heritage. Please support this worthwhile piece of history - we don't have much left and it would be a shame to lose something that has stood in One Tree Hill since 1856.

Tea and coffee will be provided, however, we do invite you to bring a plate of supper.

I look forward to seeing you there.

EDITORIAL

It was good to get such a positive response to the changes in the "Grapevine" - both the new format and the wider circulation. But this newsletter needs contributions from everyone to make it a success - like advertising, information on activities, news and views, your favourite recipe, queries that others may have the answer to, complaints, whinges, bouquets, crossword puzzles - the scope is endless, so don't be shy. Also classified ads are very welcome - cost is 10 cents per word.

Unfortunately, the "Grapevine" costs the Progress Association money to produce and distribute. Donations will be gratefully accepted. Please place these in the "Grapevine" tin at the Deli or post to the Treasurer of the Progress Association, C/- PO, One Tree Hill.

A WELCOME CONTRIBUTION FROM RITA
MATTHEWS TO GIVE US ALL A CHUCKLE!

I'm very well thank you.

There is nothing the matter with me,
I'm healthy as can be.
I have arthritis in both my knees,
and when I talk - I talk with a wheeze.
My pulse is weak, my blood is thin
but - I'm awfully well for the shape I'm in.
Arch supports I have for my feet
or I wouldn't be able to be out in the street.
Sleep is denied me night after night
but every morning I find I'm alright.
My memory is failing, my head's in a spin
but - I'm well for the shape I'm in.
the moral is this - as my tale I unfold
that for you and me who are getting old
it's better to say I'm fine with a grin
than to let folks know what shape we are in.
How do I know that my youth is all spent?
well my get up and go has got up and went!
But I don't really mind when I think with a grin,
of all the grand places my got up has bin.
Old age is golden I've heard said
but sometimes I wonder as I get into bed,
with my ears in a drawer, my teeth in a cup,
my specs on a table till I get up.
'Ere sleep overtakes me I say to myself,
"Is there anything else I could lay on the shelf?"
When I was young my slippers were red,
I could my heel right over my head.
When I was older my slippers were blue,
but I could still dance the whole night through.
Now I'm older my slippers are black,
I walk to the shops and puff my way back.
I get up each morning and dust off my wits
and pick up the papers to read the obits.
If my name is still missing I know I'm not dead,
so I have my breakfast and - go back to bed.....

ONE TREE HILL CELEBRITY SPOT!

Did you know we have a famous celebrity in our midst? On whose picture has appeared all over the place, in the newspapers, magazines, and even stickers on the backs of cars. He is also a "hero" and has been selected for a special award. Unfortunately interviewing him might be a little difficult. His name is "Wellington" (no, not the boot variety) and he is a bloodhound owned by Marion and Tony Boocock. Wellington was recently selected for an award by the Foundation SA Dog Heroes Awards. There are only about ten bloodhounds in South Australia so the Red Cross felt very lucky to find such a perfect ambassador. Wellington willingly appears draped in ribbons and placards to encourage everyone to be a blood donor. His slogan is "we don't want to hound you but we need blood". Cute toy bloodhounds - Wellington's little helpers - have recently been on sale at a number of shell Shops at a cost of \$8.95 each. If you can't find one left, Shell say they'll give you a raincheck. Money from the sales will eventually go to help the Blood Bank.

DID YOU KNOW - some history of One Tree Hill

For many the history of One Tree Hill will start in the 1840s when the first British settlers arrived but have you ever thought what this area might have been like before this? Can you imagine the hills covered with trees? Huge Eucalypts once lined the creeks and rivers. Many had large hollows in the bases, so large that Aboriginal people sheltered in them. There used to be many examples of these trees along Goulds Creek but they were destroyed in 1977 when the Little Para Reservoir was built. Some of these trees grew to 30 metres in height. If you are lucky you may still have some of these trees on your property. For a list of some of the species of plants which are indigenous to this area I suggest you read the latest edition of the One Tree Hill Sketchbook by Steven Hill.

The Aboriginals who once lived in the Western half of One Tree Hill were members of the Kaurna Plains tribe. In the Eastern half lived the Peramangk tribe. They lived as hunter gatherers and if food was available they stayed in the one area for several months. Some of the food they ate included roots, berries, lizards and game such as kangaroo. In the winter the Kaurna people stayed down on the plains where it was warmer but in the summer they moved to the hills and ranges. In the summer they didn't wear much clothing but in the winter cloaks of possum fur were worn. The possum skins were sewn together using animal tendons and a sharpened kangaroo bone to make the holes. Camps were set up near permanent water holes. Information on their culture is very poor because they were decimated by the arrival of the Europeans who failed to value them. Disease and killings over land and property rights contributed to their disappearance.

For an idea on earlier attitudes to Aboriginal people have a look at one of the books in the Uleybury School Museum.

I've heard that one of the houses in One Tree Hill is haunted by the ghost of an Aboriginal man as it was built on the site of a burial ground. Is this true? Please let's have the story.

NEWS FROM OUR SCOUT GROUP

The One Tree Hill Scout Group is growing rapidly. The Joey Mob (children 6-8 years) is full with a waiting list, so if you have a child in this age group who is interested in being a Joey Scout, please let Jenni Lewis know so she can add their name to the list.

The Cub Scout Section is growing well with 14 enthusiastic cubs (8-11 years). The children have done a variety of activities from making models of their teeth to sending secret codes. Later this term there is a district bike hike organised and in September the cubs will be involved in a District Sleep over in the Old Adelaide Jail.

If you or your children are interested in being involved in Scouting, please contact Jenni Lewis on 280 7658. It really is a lot of fun and great to see these young people of our community develop into responsible citizens.

FUNNY INCIDENTS OF THE MONTH

Heather Charmon submitted this story about her clever horse. This horse broke out of its paddock one night and went for a walk down the road. After a near miss by a car it had the sense to go and visit Bill Harbison, one of the local vets. Poor Bill was woken at 1am by the concerned motorist and ended up having to put this sensible horse in one of his paddocks until morning!

Horses

There is a danger in many parts of One Tree Hill that overstocking of the paddocks is happening. This year this is especially bad because of the very dry conditions. When the feed runs out the horses are forced to eat the bottom of the grasses pulling out the roots and swallowing a lot of dirt at the same time. This dirt accumulates in the stomach causing blockages and colic. Troubles are not over when the rain starts because the animals eat the new shoots which pull easily out of the ground, and ingest the dirt as well. Pastures get very degraded, erosion occurs, and weeds get a chance to spread. To stop this situation, it is essential to:

1. Not overstock paddocks.
2. Rest paddocks to give them a chance to recover.
3. Feed good quality feed all the year. This means good quality hay is essential, preferably in big round bales so the horses always have something to pick at without picking up sand and dirt.

MEET OUR COMMUNITY

Rita Matthews

Rita was born in Datchet, Buckinghamshire, England. After marrying her husband, Ray, and having three children, the family decided to emigrate to Australia in search of sunshine, a better lifestyle and opportunities for the children. Rita says coming here was the best thing they've ever done! They arrived in 1970 and lived at Parafield Gardens next to some nice Australians who educated them in the ways of Aussie culture such as Lamingtons, cabarets, Basket suppers and what it really means when you're told to bring a plate! Searching for an area slightly similar to Burnham Beeches in England, they bought a block in One Tree Hill, moving here in 1982, now with four children.

Rita took a Horticultural Course and planned to grow herbs and do sculpture but life had other plans for her. Husband, Ray's real estate business took off and she took over the reception work. Now she has no time for sculpture but enjoys Folk Art, weaving, embroidery, knitting, sewing, dried flower arrangement and crochet. So far she has not joined Ray at karate and squash. She terrified her children when she learnt to drive some years ago!

Rita and Ray have a real family business with two sons now involved. They have six grandchildren all of whom live close and she sees them frequently.

Rita also finds time to help at the Wombat Shop in Gawler which aids homeless youth. With this busy life no wonder her sculpture has had to be shelved for a while.

Thanks, Rita, for sharing some of your life with us.

OUT AND ABOUT IN ONE TREE HILL

Senior Citizens

The Senior Citizens Easter Bonnet Parade was a great success. About 15 ladies and 15 gentlemen paraded their millinery talents before a panel of judging celebrities, the Mayor, Jo Gapper, Councillor Martin Lindsell and Barbara Hatcher. As usual it was very hard to make a decision because they were all excellent. Dorothy Hughes won the Ladies Section with her stunning yellow bonnet, while Alfie Bond won the Mens Section with his very humorous effort. I have heard that Albert Baggs went as a "kitchen slave" with a tea towel round his head like an Arab. This description is disputed by his wife! Boxes of chocolates were awarded as prizes.

Our Senior Citizens Club is known as the happiest club in the district. People come from Kersbrook, Munno Para and Elizabeth Vale to join it because they know they will have a fun time with lots of laughs. New members are always welcome. They meet regularly on a Tuesday afternoon at the Institute.

ONE TREE HILL PLAYGROUP

You are your children are very welcome to join us

- Monday 10am to 12noon
- Tuesday 10am to 12noon
- Wednesday 1pm to 3pm

It doesn't matter if it's raining or shining. Come to the Institute for toys, games, songs, play, plus a cup of coffee for dad or mum. All children must be accompanied by their mother/father or caregiver for the whole of the session. All parents/caregivers must sign an enrolment form agreeing to accept being rostered to various duties such as helping clean up and supervise play. There are safety rules for playing.

Please bring one piece of fruit (fresh fruit, dried fruit, carrot sticks, etc) per child to eat in the fruit break.

The fees for 1994 are as follows:

Daily fee (covers activity costs and hall hire)

- \$1 per child, 50 cents subsequent children
- 20 cents tea or coffee

Term fees (covers Playgroup Association membership and insurance)

- \$5 per child per term
- \$8 per family per term
- \$15 per child per year
- \$24 per family per year
- children under 12 months are free

If anyone would like to know more about the Playgroup, please contact Julie Garrett on 280 7537.

MEMORIAL PARK PLANTING - Sunday June 5, 2pm to 4pm

Two years ago Progress Association, with the help of the Munno Para Council and Anne Dealtry, established a Memorial Park in one of the new subdivisions off Lorna Drive.

Each year we invite residents who would like to plant a tree in memory of someone who has died, or for some other reason, e.g. birth of a new child, to come and join us in a planting session.

Trees are sold for \$2.50 which helps us cover costs. We also keep a register of who planted trees in memory of whom.

If you would like to participate, the date of the next planting is Sunday, June 5, from 2pm to 4pm.

Please ring Ann Davenport (280 7188), Anne Dealtry (280 7079) or Chris Adley (254 9126) to register your interest.

OTH PROGRESS ASSOCIATION AGM

8pm Thursday May 19, 1994 at the OTH Institute

If you are new to OTH - or even not so new - you may be wondering what the Association is and what it does.

The Progress Association has been in existence for over 35 years and its basic aims are:

- To foster community spirit and promote the welfare of the One Tree Hill Community.
- To promote the expansion, improvement and maintenance of educational, sporting and other facilities for the benefit of the One Tree Hill community.
- To administer the One Tree Hill Hall.
- To stimulate and maintain an active interest in all district matters.
- To do such things as may be incidental to the attainment of such objects.

In short, the Progress Association exists to give residents and ratepayers a voice in the matters which concern them, and to give them an opportunity to take an active role in the local community.

We frequently raise matters of interest and concern with the Munno Para Council through our local Councillor. We also regularly represent the local community to the relevant bodies regarding such matters as planning, the environment, roads, etc.

Another role of the Association is publishing the monthly Grapevine, which enables residents to keep in touch with happenings in the district.

The Craft Shop is run by a committee of the Association and is a valuable meeting place as well as an outlet for local crafts and produce.

Groups which use the Hall for their weekly activities range from Playgroups to the Senior Citizens' Club.

The Hall is also available for hire for functions such as wedding receptions, birthday celebrations, etc.

Meetings of the Association are open to all residents and ratepayers and are held on the third Thursday of each month at 8pm in the One Tree Hill Institute.

The Association also arranges or supports events such as Community Markets which enable people to meet informally while buying and selling the products on offer.

A Memorial Park has been established with plantings occurring in May/June of each year.

Look for the signs at both ends of the township. All meetings end with tea/coffee and biscuits to give everyone the opportunity to get to know each other.

Formal membership is open to all residents and ratepayers who have agreed to accept the aims of the Progress Association stated above, and paid the prescribed fee. Members over the age of 18 years have a formal vote at general meetings.

As a resident or ratepayer of One Tree Hill this is your Association, and you are cordially invited to attend the next meeting to have your say, find out what's going on and meet other new and longer-term residents.

NEWS AND VIEWS FROM YOUR COUNCILLOR

Dear Residents,
Council, at its meeting on April 19, passed its 1994-95 Business Plan. There are many key aspects in the plan, such as:

Reductions in both the deficit and long term debt: contributions towards a community facility in Angle Vale and the upgrade of assets at Virginia to establish a Produce Fair; allocation of \$300,000 towards upgrading community facilities. On the down side: \$105,000 reduction in rate income based partly on the new rating system being introduced in the urban areas; 33% increase in garbage collections costs reflecting an increase in volumes and, in real terms (not paper talk) a reduction in funds available for allocation to the road construction program.

Whilst the overall Business Plan, as approved, is an interesting document and has a number of things going for it, I couldn't support it on the basis that there is only \$200,000 in unallocated road construction funds. In other words, if we are lucky, 2 km of roads (other than Curtis Road extension along with the commencement of Medlow Road construction, both of which are mainly funded by other than Council resources; and other already allocated road funds to Virginia area) will be constructed and sealed throughout the City next financial year.

This Plan will form the basis for the budget and even though we have presented Council with petitions, letters and made phone calls, it appears now as if they have another agenda for road construction. What concerns me is that Council appears to be taking an engineering consultants recommendations literally in that unsealed roads that don't have more than one person/kilometre living along it or 150 vehicles/day passing over it might never be sealed. My fear is that Council will get locked into this scenario and overlook ratepayers requests for sealing of roads based on health, welfare and safety issues. I am angry at the way Council is treating us and I will make my feelings known throughout the rest of the Budget debate - IF THERE IS ANY!!

On a more sombre note, there is some good news in that there is a proposal to restore (possibly) the five cemeteries in Council's area. This could be done under the Landcare Environment Action Program at very little cost to Council and we will know the outcome soon.

And a final note - REMEMBER THE HOPPER WILL BE AT ONE TREE HILL ON SATURDAY MAY 7 BETWEEN 8.30AM AND 3.30PM AND THEN ON THE FIRST SATURDAY OF EACH MONTH THROUGH UNTIL NOVEMBER.

Kind regards,
Martin Lindsell

Loads of fun for the kids

Did you know that a special plantation of trees for children is being established in Para Wirra Park by Trees for Life in conjunction with the National Parks & Wildlife Service? It's a very special present of a tree that will grow with the child. It only costs \$10 and for this you also get a gift pack and an invitation to Planting Day.

You can contact Cathy on 207 8787 for further information and copies of forms.

Those busy children in Reception and Year One at One Tree Hill Primary School have again contributed to the "Grapevine". Thanks very much for your efforts. Space doesn't permit us to print everything but all your contributions are very welcome.

I saw something when I was in the boat and do you know where it was? It was at Hardwick Bay and I think it was a shark.

SPORTS ROUND-UP

Cricket

Congratulations to local cricketer, Graham Watson, for winning the A4 Association Trophy "Fair Player" award in the Adelaide Turf Cricket Association.

Equestrian Club

At the recent Kadina One Day event, Corry and Martin Kisbee, Andrea Hall and Gill Kennett were all placed - well done! At the NERC Dressage and Show Jumping teams at Paracombe Oval, "A" dressage team came 3rd, "B" dressage team came 2nd, "A" dressage team came 3rd, and "B" show jumping team came first. The team members for the "B" team were: Mandy Ritter, Sandra Kozulic, Rebecca Dewar and Angela Rowan. For Rebecca and Angela this was a new experience as it was their first competition. Congratulations everyone!

The program for the next month is:

- | | |
|--------|---|
| May 15 | One Day Event at One Tree Hill Club grounds.
9am start. Helpers for jump judges are always needed. |
| June 5 | Treasure Hunt at One Tree Hill
10am start. Also a practice for the Pony Club D Certificate |

The Equestrian Club has a very varied program and new members are always welcome. Please contact Helen Duncan on 280 7461 for further information.

Local One Tree Hill students from Birdwood High School performed well at Kensington in their events against tough competition and much bigger schools. Congratulations to:

Craig Buckley 1st in the U15 1500m
Danny Finch 1st in the Open Pole Vault
Craig Kennedy 1st in the Open Triple Jump
Paul Stribley 2nd in the 3000m
Rebecca Dewar and Sarah Mendolia who took part in the successful U14 Relay team.

ROTARY NEWS

The Rotary club of Torrens Valley which meets at the Kersbrook Tavern on Wednesday evenings (7pm for 7.30pm start) reports a number of current projects:

Students

National Science Summer School at Canberra - 2 weeks in June 1995 for Year 12 students. Assistance from the Club available. Competition is very strong for this. There is also a shorter South Australian Science Summer School and an Engineering Summer School for Year 12 students. Details available from President Jim Dahl 280 7284.

Short term exchange (but up to 1 year) for students 12 to 17 years old. Rotary matches students from Australia and overseas who stay in each other's homes for consecutive periods. Included are disabled students matched so parents are used to coping with their difficulties. Past President Ivor McLatchie is a member of the District Committee for these short term exchanges.

1. The club is collaborating with Council to provide seats and a table in the developing playgroup area at the One tree Hill Institute.
2. If there are any local disabled or disadvantaged people who need help, the Club may be able to assist in some way. Please let President Jim know if you know anyone who might benefit.
3. Charles Moore, Forester for Mount Crawford, will be guest speaker at the Club on Wednesday, May 18. If you would like to share a pub meal (\$10) with us and hear what is going on in local forestry, please let President Jim know - 280 7284.
4. The Rotary Club of Adelaide is coordinating a project for cleaning up the River Torrens, both below the Kangaroo Creek dam and in the catchment above. The Torrens Valley Club was represented at the initial meeting last week of all the authorities that will be involved. More news later.
5. At Humbug Scrub, Phil Bellchambers reports that the watering system installed by the Club is proving a useful time-saver. Phil's brother, Neville, has come to SA from Victoria and he and his family are fully involved at the Sanctuary. Brian and Pam Gamble have been giving sterling assistance at the Sanctuary over a long period. Help will be needed in May clearing up leaves and debris after the hot summer. The Sanctuary is open from 10.30am to 5pm on Sundays and public holidays.

"Rotary is for men and women fostering the ideal of service in personal, business and community life, and advancing international understanding, goodwill and peace"
