We are happy to include some advertising from local businesses in which case the maximum size for a single advertisement is one third of a page. Please include a donation to cover the cost of such advertisements - about \$10 for this size.

No charge for personal or community notices.

It costs approximately 30c. per copy of the Grapevine - while we are not putting a price on it, donations to cover the cost would ensure its survival!!

BUSHWALKING GROUP

A meeting was held on 7th July. There were 6 people present and 7 apologies.

Observations and decisions:

Bush walks already undertaken had been enjoyable. The planned bush walk in the Watts Gully area was changed to the Humbug Scrub walk. The Watts Gully walk will now be on Saturday, 31st July. Some members thought that a 1.00p.m. start was too early, and so it was decided that future walks would be starting at 1.30p.m. Some interest had been shown in having a walk for families with young children and so it was decided that the walk on Saturday, 14th August would be in "Roachdale" on the Kersbrook/Williamstown Road (a gentle 1 hour walk).

For your diary:

Saturday, 31st July - meet at 1.30p.m. at the One Tree Hill Church - walk in Watts Gully area led by Robert Stacey.

Saturday, 14th August - meet at 1.30p.m. at the One Tree Hill Church to go to "Roachdale" for the "young ones" walk! This walk has been changed from the Sunday because of the Church Anniversary Service on Sunday, 15th, and the following lunch.

Sunday, 29th August - meet at 1.30p.m. at the One Tree Hill Church - walk led by Mary and Chris.

Saturday, 11th September - meet at 1.30p.m. at the One Tree Hill Church - walk led by Barbara and Brian.

Saturday, 25th September - 1.30p.m. - BBQ at Sybil and Doug's place.

End of bush walks for this year.

One Tree Hill Primary School

To the Residents in the vicinity of the One Tree Hill Primary School
Recently the School was put on to a security alarm system. Unfortunately there have been considerable "teething problems" associated with this security measure.

I would like to apologise for the more than normal number of times the alarm siren has sounded since it has been in operation. Hopefully the problems of faulty sensors and vermin have now been eradicated.

Thank you all for your patience and support of our School.

Are you interested in recording local history?

The Progress Association are interested in collecting together accounts of events and times gone by from residents of the One Tree Hill area. There's many a tall tale floating around the cricket clubrooms, senior citizens meetings, CFS shed, etc. that would be worth preserving!

If you have a flair for collecting and recording this type of information and would like to coordinate such a project, please contact us. We would also be interested in identifying folk to interview.
