THANKYOU

A VERY HAPPY 1993 TO ALL RESIDENTS

The purpose of this Grapevine is to share local news, views and events. We want to encourage local people and groups to share what they are doing and to pass on items of interest to one another. We are happy to include some advertising from either local people or businesses. The maximum size for a single advertisement is one third of a page. Please include a donation to cover the cost of such advertisements - about \$10 for this size.

DONATIONS

It costs approximately 30c. per copy of the Grapevine - while we are not putting a price on it, donations to cover the cost would ensure its survival!!

A message to all new residents - that the CFS collects beer bottles, wine bottles and cans.

If you would like to donate any, please leave them at any time behind the CFS building, next to the shed.

Your donations would be very much appreciated.

An SOS from your Craft Shop

Dear Community of One Tree Hill,

I am having some trouble surviving these hard economic times, and I am writing to you in the hope you will feel some compassion for my plight.

Heaven knows, I have done my best for you when you most needed me! Remember that last minute gift for the birthday you forgot; the time unexpected guests arrived and my yummy home made cakes came in so handy; how Granny appreciated you most for giving her hand crafted gifts. (Better than those commercial ones!) Even Dad and Mum love the plants available; and where else can you get a cup of coffee and a piece of rich chocolate cake for \$1.20.

So many people need me as an outlet for their craft. I keep idle hands busy and form a community pivot for a great deal of people. More recently I have become an Information centre for the South Australian Tourist Bureau.

But recently the volunteers who keep my doors open and everything running smoothly have found their numbers dwindling. Because of this my sales have dropped and the committee have been talking about *closing up!* I know a great deal of people would be disappointed to see my demise.

I need your help!

- * Please offer your services for as little as 4 hours a month. This would make it easier to keep the doors open and relieve the stress on other volunteers.
- * I need support in the form of your membership, which is only \$10 annually, or a cash donation, no matter how small.
- * Become a regular customer and bring your friends when they visit you.
- * Tell others of my uniqueness, and how nice it is to stop for a coffee and buy locally produced bargains (just right for overseas!)

I know I haven't much commercial attractiveness to offer. I don't make a profit; I'm not loud and brassy; and I don't open at midnight; but after all, I am your shop. I can be very handy in moments of crisis, and I do epitomise what *community* is all about.

I await your active response.

Your faithful servant,

The Craft Shop

RECYCLING

A reminder that the Waste Transfer Hopper will be at One Tree Hill from December 5th to March 13, situated next to the Institute building in the township and is available to residents of the district **only**.

Times of operation: 8.30a.m. - 12 noon

In addition to the usual service, there will be 4 mini hoppers that will be set aside for: plastics, glass, paper and cardboard, metal. However the Council is not able to supervise the waste station as it has in the past, and so we urge all users to observe the signs that will be posted so that we can keep the area as clean and orderly as possible.

**IN PARTICULAR, IT IS IMPORTANT NOT TO OVERLOAD THE HOPPER AS
THIS WILL RESULT IN RUBBISH BEING SPILT WHEN IT IS MOVED.**

Signs around the area will give a phone number to ring if you notice that the hopper needs to be replaced.
