Please include a donation to cover the cost of such advertisements - about \$10 for this size.

DONATIONS

It costs approximately 30c. per copy of the Grapevine - while we are not putting a price on it, donations to cover the cost would ensure its survival!!

COLES

"Apples for the Students Programme"

Once again the One Tree Hill Primary School is collecting Coles orange register dockets to try and qualify for a much-needed computer for our School. Although we were not successful last year, we are trying again. Donation boxes are available at the local deli and in the kitchen of the One Tree Hill Institute Hall.

Thank you to all the local residents of the community who have already donated their dockets. Our target for a computer is \$100,000 plus. The programme runs from 27th April to 22nd August 1993. Any donation of Coles dockets can be deposited in our donation boxes or sent to the front office at the School. Do you know of any friends, neighbours, relatives or business associates that will help collect for us?

Thank you all for your continuing support

NEWS AND VIEWS FROM YOUR COUNCILLOR

Dear Residents,

I thought that I would keep you informed of some matters that have come to my attention over the past month.

Council's Corporate Services manager advised me that valuations in our area have increased by 15%.

I checked with Murray Weston, Valuations Section, Lands SA, Manningham and he confirmed that properties throughout the hills had increased markedly as compared to general property values in the metropolitan area.

Around the One Tree Hill district properties had increased by up to \$20 000+. He said that some 4.5 hectare blocks (10 acres) were selling for up to \$130 000.

Unfortunately or fortunately, whichever way you look at it (I prefer the former as the lower the valuation, the less the rates we pay), it could mean that Council rates will increase in accordance with this revaluation.

However, I will try to ensure that Council sets a rural rate in the dollar so that any rate rise is kept to a minimum.

And, REMEMBER, if you think the valuation on your property is too high, you have the right to appeal it. Write your objections to Valuation Section, Lands SA, 109 Hampstead Road Manningham 5086.

The Minister has approved the Medlow Road Landfill Environmental Impact Statement and a draft Landfill Management Plan has been produced. The Medlow Road Landfill Management Committee reviewed this document on Wednesday 2 June and will be putting forward its suggestions for inclusion in the final document.

'The committee will stay in place for the life of the site. In the event that the committee is not satisfied with the performance of the landfill facility, or its associated operations, a written report detailing the source of dissatisfaction will be provided to the Northern Adelaide Waste Management Authority (NAWMA), the City of Munno and the South Australian Waste Management Commission (SAWMC).

Once authority approval of the landfill facility is obtained and the site establishment works have commenced, it is envisaged that the committee will provide comments and support to NAWMA on all aspects for the proposed operations, thereby identifying areas and issues requiring attention and/or improvements.'

It is my understanding that the committee (or member thereof), if it/they feel a matter is urgent, will also have verbal contact with site management.

Council will be considering the draft budget over the weekend of 5-6 June. This workshop will formulate the 1993/94 budget - the source of funds, expenditure and decide rates for the forthcoming year.

Regards,

Martin Lindsell

**Did you know that we have an educational museum in our district
AND THAT A VISIT IS FREE?**

Uleybury School Museum, located on Cornishman's Hill Road, One Tree Hill, has been open to the public since 1979. The School, originally known as Uley, was built in 1853 as a Church School, the funds being provided by Moses Bendle Garlick, who was also instrumental in the construction and development of Uley Chapel. Later in the 19th century, Uley School became a State School, then, because of confusion with Unley, changed its name to Uleybury, then One Tree Hill School. When it closed in 1972, it was the longest serving School in South Australia.

Council, through the then 'Red' Scheme, refurbished the School and Schoolhouse and through the efforts of a dedicated band of volunteers, the doors have been kept **OPEN EVERY SUNDAY BETWEEN 2 and 4 pm**, except Easter, or when it falls on Christmas Day.

Pay a visit, bring your friends, advise your School of this gem in education history.

The Committee is always seeking extra help and, if you can spare two hours on a Sunday, once every three months or when it suits you, please call either Phil Squire (280 7396 or Martin Lindsell (280 7272).
