EDITION 2

ONE TREE HILL'S LOCAL MAGAZINE

FROM THE EDITOR...

Welcome to the March edition of the Grapevine!

Firstly, our thoughts go to the Kerrison Family after the passing of Nigel. May he rest in Peace.

I hope that you all liked the changes to the magazine. This month is jammed packed with articles and information.

Lots of entries for last months colouring in competition. Congratulations to Delilah age 4 who was randomly selected out of 8 entries. Would you like to see more colouring in comps? Or puzzles? Let me know. In the meantime, have another go at colouring in the picture on page 14. You might even like to cut it out and pop it somewhere you can remind yourself to always keep trying.

Feel free to send through suggestions, articles, stories or events that we can share with everyone throughout the year. It would be nice to see some new things in the magazine.

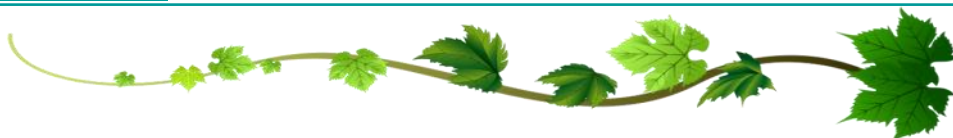

You can contact me via Facebook or phone 0458 208 823 (I prefer SMS's)

Thanks for reading and hope you enjoy this edition.

ONE TREE HILL PROGRESS ASSOCIATION - PRESIDENT'S REPORT

Again, I start this months report with the news of another Progress Member and One Tree Hill resident's passing, Nigel Kerrison.

Nigel was a strong advocate of One Tree Hill who was a Progress Member for many, many years. His knowledge of the area and in how Parliament and Council "runs" will be sorely missed. On behalf of Progress I pass on our sincere condolences to Nigel's family and friends.

This last month has seen the removal of most of the flower boxes in the township. This opens up parking space for the businesses, hall and the church and cemetery. This has taken a lot of time and effort and wish to thank many past and present Progress Members and Councillor David Kerrison for this positive outcome. Thanks also to the City of Playford for the removal of the beds and repatriation of much needed parking space.

ANZAC Day is fast approaching and planning has already commenced. If you would like to volunteer time to helping us with the day please get in touch with me so we can put your talents to good use.

We are starting up a historical section within the Grapevine and are requesting any stories or photos that you may have. To move forward with our town, we need to look back and understand why we were placed where we are and the reasons.

Progress Association will be holding their AGM in May, meetings details to follow next month.

Please start to consider what you can offer in ways of time, knowledge or expertise to make One Tree Hill a better place for all residents and visitors.

Regards,

Graham Watson - President, One Tree Hill Progress Association president@onetreehill.org.au

OTH Progress Association Meeting
Thursday 9th March 2023 @ 7:30pm
One Tree Hill Institute, Black Top Rd

grapevine@onetreehill.org.au

PLAYFORD COUNCIL - LOCAL COUNCILLOR'S REPORT

Dear Fellow Ratepayers and Residents,

This month as I sit to reflect on the relevant matters for the community in the Grapevine, I wish to share the sad news of my father's passing and say thank you for the kind words of support from family, friends and the community.

I remember as a child my father attending and being involved in the OTH Progress Association and local community matters. In recent years his health inhibited his attendance to meetings however he was always keen to maintain his membership and he closely monitored the Grapevine.

In 2017, he stood beside me in the community campaign to overturn the massive rate hikes. He was a community minded man and despite his illness still turned up with a crowbar and shovel to assist in the installation of the new OTH & Environs sign in September 2020.

Thank you dad for the many memories, love, support and a lifetime of guidance. I pray and trust that you are now in a better place.

Thank you to Rhiannon Pearce MP for King for continuing to work with me on local matters.

1. We have received an update on the roundabout at Kersbrook Road, Humbug Scrub.

The Department inspected the round about and actioned the removal of gum tree saplings and tree trimming works. The Department further advised that the standard treatments for roundabouts and medians is to maintain a gravel surface. Weeds are sprayed and vegetation trimmed as necessary to maintain road safety.

The community may wish to landscape the roundabout and medians to improve amenity through their local council. The Department will support landscaping proposals where the solution does not negatively impact on road safety and council commits to ongoing landscaping maintenance.

I'd love to see the roundabout landscaped as an entry statement to our town however it will take time and funding. What are your thoughts? Please give me a call or see me at the markets to discuss further.

2. I appreciate Rhiannon's efforts in working with me and advocating for the Blacktop Road / Yorktown Road intersection.

Thank you to the Hon. Joe Szakacs MP, Minister for Police, Emergency Service and Correctional Services who personally heard the resident's concerns and how we can best address road safety at the intersection. Subsequently the Department (DIT) will install a 'STOP' sign on the approach to Blacktop Road from Yorktown Road.

We understand that DIT is investigating the possibility of attaching lighting to enhance the visibility of the 'STOP' signs. The Minister advised this investigation is anticipated to be completed in April 2023.

Furthermore, the Minister has advised the installation of street-lighting at the intersection has been included on a prioritisation list for future funding.

I always enjoy a good community market and look forward to seeing you at One Tree Hill on the first Saturday of every month (excluding January) and at Craigmare the last Sunday of every month. Thank you for your support and interest in our community.

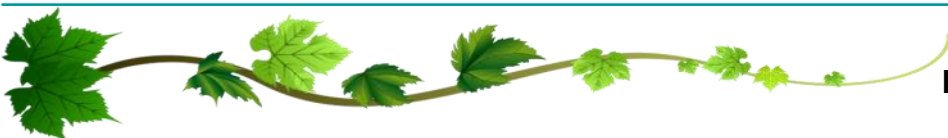

Keep safe and kind regards,

Cr David Kerrison / Phone: 0478283879 / Email: crdkerrison@playford.sa.gov.au

CFS REPORT - MARCH 2023

Since the last report, One Tree Hill CFS has responded to 13 callouts.

JANUARY:

17th - Tree down Shillabeer road, a member of the public removed the tree before we reached the site.

17th - 2 of our members went on a strike team to Burra on Dalkeith's CFS truck, to assist in "mop-up" of a large grass fire.

26th - Suspected backyard burn in township, crews unable to locate.

31st - Tree down Sampson flat.

FEBRUARY:

3rd - Car into tree.

3rd - Our Bulk Water Carrier responded to a reported structure fire at Hermitage. Fortunately, the fire turned out to be a chimney fire which was extinguished quite quickly, which was fortunate as our Bulk Water Carrier suffered a minor breakdown on the way to the job, and the next closest Bulk Water Carrier (Kersbrook) had to be responded in place of ours. The truck was repaired promptly the next day and back online.

4th - Vehicle accident - Willison Road, occupant left scene.

4th - Assist resident.

6th - Motorbike into car. The motorcyclist was very lucky to not suffer serious injuries. The motorbike overtook a local resident who was turning right on Kersbrook Road, and hit the front of the car. As you may have seen in the media, the road toll this year has started very badly with the number of deaths quite high given we are only 6 weeks in. Fortunately, this accident didn't add to that toll. A timely reminder to slow down, and simply drive or ride sensibly.

9th - Our Bulk Water carrier was responded to the Dry Creek wetlands to assist other MFS and CFS crews with a fire, however upon arrival it was decided we were no longer required and returned home. This happens more often than you think, however it is always better to request additional resources early on, instead of leaving it too late.

13th - Our brigade was responded to a large fire on the other side of Williamstown, there were numerous other brigades responded. A grass fire burnt a few hectares in very steep terrain. Aerial support from the new Blackhawk helicopters as well as the traditional fixed-wing aircraft was instrumental in knocking down this fire early, ensuring the area burnt was kept to a minimum. CFS also had great support from a number of local residents with farm firefighting units. Due to the large number of large trees burnt, the local brigades ran patrols on this fireground for a number of days after the main fire had been extinguished.

15th - Fire reported in paddock, Medlow Road. Our brigade responded however were advised we were no longer required before arrival.

17th - Our Bulk Water Carrier was requested to respond to Port Lincoln. There was a large scrub fire the day before and it had spread into the local dump. As our Bulk Water Carrier has a specialist capability (CAFS - Compress Air Foam System), it was responded to assist in the dump fire along with a similar truck from Crystal Brook. At the time of writing, 2 of our members (M. Hawkey and H. Davis) are on a 4-day deployment. 1 day travel, 2 days work, and 1 day return. We hope our contribution to the Port Lincoln community will help reduce the smoke around the area.

In general news, our cadets have returned to fortnightly training now that school has commenced. Our cadets train Tuesday 6-8PM. Currently there is a waiting list to attend cadets, however if your kids are interested, please contact the Duty Officer. Our brigade also visited the Joey Scout group (Ages 5-7) this month at the Oval (see Joey Scout article), to show them over the truck and let them squirt the fire hose, and the Cub Scouts (Ages 8-10) are visiting us soon at the station.

Training is ongoing with our members, Monday night is our normal training night, however other courses occur on weekends, with many of our members, along with neighbouring brigades recently completing First Aid and CPR courses at One Tree Hill station run by St. John.

With more hot and windy weather on the way, please remain vigilant and use the CFS website to find ways to stay informed. One way is to install the AlertSA app on your phone and configure a watch area so you can receive alerts for local incidents, however there is no substitute for a battery powered radio to keep you informed of active incidents, in case of loss of power or mobile phone service.

For general information contact OTH Duty Phone: 8280 7055
You can also visit the CFS website at <http://www.cfs.sa.gov.au> or phone 1300 362 361.

Bulk Water Carrier on the way to Port Lincoln

ONE TREE HILL RURAL WATCH ~ CRIME REPORT

Offences Reported between 15th January 2023 - 14th February 2023

16 January	Non Residential Serious Criminal Trespass	Riggs Road YATTALUNGA
Offenders cut hole in fence to enter property. Entered unlocked vehicle parked outside house and stole bag and cash. Entry gained to shed by way of jemmying door – alarm activated and offenders left property		
17 January	Non Residential Serious Criminal Trespass	Humbug Scrub Road, YATTALUNGA
Offenders entered Admin Block/Kiosk of Conservation Park by way of smashing window and stole cash and drinks		
28 January	Theft	One Tree Hill Road YATTALUNGA
Person cut and stole chain and padlock to front gate of property		
28 January	Illegal Use of Motor Vehicle	One Tree Hill Road ONE TREE HILL
Offenders attended property and drove through fence causing damage. Once on property stole Quadbike and drove it from address. Toyota Prado seen with quadbike as leaving address. On 31 January Police saw male person riding quadbike at Elizabeth Grove. Rider of bike ran from police however was located a short distance from scene and arrested. A male adult from Evanston Gardens was arrested and will appear in court at a later date.		

A large amount of accidents continue to occur within the One Tree Hill area. There has been significant media coverage in relation to the high road toll particularly on country roads. Please ensure you are not distracted whilst driving and drive according to the road and weather conditions.

As always, if you have any information to assist with any crime issues

in the area please call Police Communications on 131 444.

DO YOU EVER WONDER HOW KOALAS STAY IN TREES WHILST THEY ARE ASLEEP?

Well the answer to that question is this:

Koalas like to wedge themselves in the fork of a tree to help keep themselves in place without using much energy, their claws also help them to grip also onto whichever branch they are sleeping on.

They also have a plate in their bottom which moulds into whatever they are sitting on which comes in handy when you have to sleep as much as a koala.

Article written by Bronwyn Wilton

REMEMBER: Do not pick up a sick koala, it can still inflict serious injuries with its teeth and claws. If you see an injured, sick or orphaned koala please ring our free 24/7 hotline on 0474 737 283

WHAT'S FLOWERING IN MY GARDEN

It's February and we have had a few warm to hot days but, thankfully, we have not endured prolonged heatwave conditions.

Despite the lack of rain, some plants that were showing signs of needing a drink received some water and responded well. Thanks to the good rains that we received during Winter and Spring last year, most plants are looking good with plenty of lush Summer growth. At this time of the season, there are not many flowers to be seen. A few *Correas* have started flowering, much to the delight of the New Holland Honeyeaters. *Babingtonia virgata* still has quite a few beautiful tiny white flowers which are visited by a myriad of bees and other insects.

It is at this time of the year that the *Croweas* begin their flowering season. *Croweas* are available from all good nurseries and come in many varieties that range from small to medium in height and colour variations from white, pale pink through to dark pink. *Crowea exalata* Rhapsody is a delightful variety to include in any garden. It is a small rounded evergreen shrub with very dark green narrow leaves and it has many dark pink star shaped flowers that appear along the stems. This very hardy plant will grow in full sun to part shade to about 75cms high and 75cms wide. The stunning bright pink flowers attract many nectar feeding insects, various butterflies and native bees. This very pretty low maintenance plant can be planted as a feature plant in a small garden but can also be planted as a fill in plant between larger plants. Flowering stems can be cut and shown off in a vase with other flowers.

If you see this plant in your favourite nursery, buy one or two or three, plant them out watch them grow and enjoy their flowers during late summer through to late Autumn.

Crowea exalata Rhapsody is such a welcome addition to any garden.

Just beautiful

Article and Photo: Heather Fischer - Humbug Scrub

ONE TREE HILL PLAYGROUP

PLAYGROUP IS BACK FOR THE YEAR!

We have been loving joining together for playgroup the last few Mondays. We have had so much fun with some sensory play with coloured ice, water & chalk paint.

We are back to sharing morning tea and the children have been loving trying all different fruits. It is really nice to be able to do this again.

There has also been a sea of new faces and it has been a delight to get to know you all.

We have lots of fun activities planned for this Year! We would love for you to share the news about playgroup to your family and friends.

Find us on Facebook: OTHGrapevine

ONE TREE HILL SCOUTS

So far this year, One Tree Hill cubs have had a games night, a fun water night with a slip and slide, plus we went on a hike along the Elephant Walk (Smith Creek trail). In the next few weeks we will visit the CFS, go geocaching, and take part in Clean Up Australia. One Tree Hill cubs currently has limited vacancies on Monday nights at 7pm. If you have a child aged between 8 and 11 who would like to try 3 free visits at cub scouts, please contact Group Leader Mike Branson on 0430422895.

JOEY SCOUTS
DISCOVER ADVENTURE

One Tree Hill Joeys Scouts spend a night building our bushfire awareness and learning about fire safety. We worked through our CFS Smokey activity books and had a visit from members of the One Tree Hill CFS brigade. Joey Scouts loved exploring the Fire Truck and had lots of fun using the intercom to talk between the cab and crew deck. Joeys used the fire hose to put out pretend fire and enjoyed watching the "monitor", a remotely controlled water cannon on the front of the truck. A big thank you to the CFS members for volunteering their time to bring out the fire truck, the Joey Scouts had a great night!

Annette Fordham, OTH Joey Scouts

YOU AND YOUR MENTAL HEALTH..

How are you taking care of this? Valentine's Day was a reminder to me that people can't be good for others unless they are good to themselves. Important to consider if you actually like yourself and if you are struggling with this to reach out for some help. Here are a few tips on how you can prioritise your self a little more and take a focus on self care:

- Make sleep a priority – try to settle into a regular rhythm. Keep in mind that the blue light from screens is not a good settling technique!
- Eat healthy, regular meals and stay well hydrated
- Practice Gratitude – but promise me that when you are thankful for something you notice what it was about you that helps make this happen!

- Get regular exercise – all the science is clear that physical exercise improves your mental health. 30 mins per day is amazing but anything is better than nothing – even shorter bursts.
- Stay connected – it is a myth that resilient people are tough and do it on their own. You don't need many people in your life but you need a couple good ones.
- Set goals and priorities – you can't be everything and you can't be everywhere.
- Try to practice positivity – with your thinking you can be more aware of it and learn how to flick the switch on some things.
- Try putting aside some time for a relaxing activity – whatever works for you – napping, meditation apps, reading, hobby – something that you feel more in touch with your basic senses doing.

Take care!

Natasha

ONE TREE HILL UNITING CHURCH

SUNDAY MORNING SERVICE - 10.00 AM

The children's church program - "Jesus and Me" (JAM) is held each Sunday morning during the 10.00 am service. All children are very welcome to come and join in...

MONTHLY FELLOWSHIP MEETINGS

Held 4th Wednesday every 2nd month with morning tea at 10.00 am. **Next Meeting - Wednesday 26th April.**

OTH MONTHLY MARKET -FELLOWSHIP STALL

It is with regret that the One Tree Hill Uniting Church Fellowship has not been able to resume having their cake stall at the monthly market this year. Age and reduced

numbers have caught up with the Fellowship's pool of cooks. We would like to thank Fellowship members who have baked a variety of delicious cakes and biscuits over the years. All profits have gone to local or international charities. Thank you all.

BIBLE STUDY/FELLOWSHIP GROUPS

The church Bible study/Fellowship Group is held on the first Thursday of the month @ 1:00pm

WEDDINGS, BAPTISMS & FUNERAL

The church is available for any of the above Services. If you would like further information, please ph **Edna on 8255 7987**

RED BIRD OP SHOP

Opening hours 9.30 am–4pm, Monday - Friday.
Address - 4 Hilcott Street, Rosewood Village, Elizabeth North.

Donations of second-hand clothing are always appreciated, and can be dropped off at the shop.

Enquiries – Maureen – 8280 7368

Find us on Facebook: OTHGrapevine

COUNTRY MARKET

• CRAFT • COOK • GROW • FRESH

**Saturday
4th March**

8:30am — 12:30pm

The first Country Market for 2023 was held on the first Saturday in February and was an all round success.

Russell with his 3d printer and interesting creations was quite a drawcard. Peggy who attended for the first time in a very long time brought along some of her well made beaded jewellery. If you are in need of a gift for that special person, do consider coming to the market and just browsing.

You may be surprised with the creativity of talented stallholders.

Coming for the first time in March will be a retired farmer who makes Scarecrows from recycled corrugated iron. Come early to purchase or to place your order.

Come along and enjoy our local Community event. See you there.

Enquiries: Heather — 0457 107 817 / market@onetreehill.org.au

One Tree Hill Country Market

One Tree Hill Institute Hall Hire

The One Tree Hill Institute is a beautifully maintained building with two inter-joining large halls, a complete kitchen and bar area.

The hall has a new surround sound system, TV, microphone facilities, and heating and cooling.

Outside you will find a sheltered playground that leads to picturesque garden areas which are ideal for photos.

The One Tree Hill Institute is an ideal location for Weddings, Engagement Parties, Birthday Parties, Reunions and Meetings.

Why not come and have a look or check us out?

Legless or long legged

The who's who in the world of reptiles

Do you often wonder what was wriggling in the bushes as you walked past? Wondering if it has legs or not? Whilst some may make you jump you may be surprised how much they jumped first! 90% of Australian reptiles are not found anywhere else in the world, we must look at how we can help stop this rapid decline, and fast.

An information session on:

- Identification of snakes and lizards of the Mount Lofty Ranges
- How to differentiate a legless lizard from a snake
- Know what to do if you find a snake in your backyard
- How to manage and coexist with them in your garden
- How to create a lizard friendly garden
- How to record your sightings and share your findings

Guest presenters: herpetologists **Max Tibby** and **Harry Kent** both professional snake catchers and committed to the conservation of South Australian reptiles and sharing their knowledge with the greater community.

For enquiries and registration
Please **RSVP**: Rebekah Seiler at

AL RU FARM AUTUMN PICNIC

SUNDAY 19TH OF MARCH
11:30AM - 4:00PM
1016 One Tree Hill Road
Sampson Flat, SA, 5114

Enjoy our gardens, live music and a
handmade picnic hamper!

Al Ru Farm's popular picnic event is back for 2023! Your ticket to our Autumn picnic on Sunday the 19th of March includes entry to our beautiful gardens and of course, a filled to the brim picnic hamper!

Our gardens will be well furnished with tables and chairs but you can bring along your own picnic rug if you would prefer! The bar will be fully stocked, including wines from Kersbrook Hill Winery. The garden will also be filled with sound from the one and only 'Adelaide's Just Jazz Dixielanders'!

Tickets are available through EventBrite, when purchasing tickets, please select the time you wish to collect your hamper. You are welcome to come from 11:30am and stay for the day!

We really would love your support to help promote this worthwhile community event. Please click the below buttons for resources.

**LILAC
AND
PRUDIE**

Kamcheyenne Lilac is 7, and Kamcheyenne Prudie is 4.

Lilac and Prudie are calm, quiet girls who enjoy the company of humans, and a few tasty carrots as a treat – or as many carrots as they can handle, which is actually a lot, to be honest! With time and patience, these girls will even grow comfortable enough for scratches on their tails!

Lilac and Prudie are a special rehomed from the Kamcheyenne Limousin herd. These girls absolutely CANNOT be put with a bull again, and so we are hoping to find them a loving "pet" home where they can live out their days being treated like members of the family.

The girls are \$1000 each (so \$2000 in total), and this includes assistance from the Kamcheyenne team with any of their requirements for the rest of their lives. Please note that Limousin are a long-lived breed, and these girls are likely to reach over the age of 15 without any major health complications – our oldest female was 21, and she was still breeding at that age.

So, if you are on the lookout for some fantastic live-in lawnmowers, and have a paddock the girls could call their home, some time to spend with them making sure their itchy spots are scratched, and a near never-ending supply of carrots, why not have a chat to us today? The girls are waiting to meet their new family.
