One Tree Hill Progress... **President's Report**

Hi everyone,

The members and committee of the One Tree Hill Progress Association continue to work hard and we are seeing some very positive results. I believe we are slowly achieving our goals.

With Fathers Day around the corner the local Country Market, on Saturday 2nd September is an ideal place to source a gift – please support your local market.

The local Uniting Church held a successful 150 year celebration, I believe all events were well attended, congratulations to all who participated and helped organise these celebrations.

Best wishes to all locals who are getting ready for the Royal Adelaide Show – tough in these weather conditions to get stock and entries, trained up and ready for competition.

We still have some chairs from the hall for sale – ideal for groups and functions and very reasonably priced. There are approximately 80 chairs left, as 120 were sold to a local organisation.

The new look Grapevine continues to generate very positive comments – thanks to our compilers – well done.

Thank you to all who have attended meetings on various topics – particularly on those cold and wet nights, where it would be very easy to curl up in front of the fire, and stay put.

Thanks & Regards,

Ian Slater, President

One Tree Hill Councillor... **Councillor's Report**

As a result of the China trip the Department of State Development in conjunction with the Streton Centre and the City of Playford are giving businesses an opportunity to have a stall, meet, greet, and talk to a Chinese contingent of business leaders. If you believe you can expand, provide a service or product to China, phone Lilly at Council and get more information you may even be able to book a stall. All this is happening in September and at short notice, a lot of local businesses have already been contacted but some will as always be missed. If you don't ask you don't get and there's nothing to lose and everything to gain, several businesses could team together to have one stall.

In its wisdom Council decided to commence work on a new Open Space Strategy, a survey sheet was compiled which was in the Messenger, online, Facebook and Twitter (it appears media is the new town hall) and at selected Council Community Venues, and, if you were lucky enough find and fill in the survey between 9 August and 1 September you would have been in the running to win a \$50 prize, of course given the timing circumstances it was not possible to include the information in the Grapevine as I was not aware of it until 3 Aug, I guess One Tree Hill and surrounding areas miss out once again.

Council is showcasing its CBD successes being **(a) the Sports Precinct: Bowling Centre** The biggest shade structure for a bowls centre anywhere in Australia which is being constructed for the new Playford City Bowling Centre. All three synthetic lawns will be undercover making the facility one of the best of its kind nationally. **(b) Eyre Sports Park** Construction of the new community clubrooms is well underway. Oval irrigation, grass, cricket wicket and practice nets are now completed, as are the landscaping works including paths, trees and seating surrounding the oval. The new Eyre Boulevard connecting to Womma Rd has commenced. Planning for the second oval and senior soccer pitch is also underway. **(c) CBD: Prince George Plaza**, the Windsor Green Fountain is now erected on site. The installation is soon also to be a Channel 9 feature news story. New concrete continues to pour while set sections are being finished. With the catenary lighting poles in place, the cables are also going up. The Plaza opening featuring a spectacular light show and performance by the ASO is set for Friday 6 October this year. **(d) The CBD: Multi-Deck Carpark**, a tender process is now open seeking market interest in constructing the planned multi-deck carpark for the Playford CBD. The six-storey carpark, to be located on the corner of Main North Road and Philip Highway, will have capacity for up to 360 cars providing nearby parking for visitors to the Plaza, Shedley Theatre, the planned Ice Arena, Medical Hub and other CBD developments.

Council is auditing additional bins used by ratepayers without having paid for them, an estimated 400 such bins apparently exist and Council / NAWMA are keen to either get them out of service or have those benefiting from them pay. People with such bins will receive a warning followed by a sticker on the bin and if not paid for eventually the bins will be removed, so watch out for those stickers. More on PFAS Investigation in the next edition.

If you have any concerns or issues with or about our City, please in the first instance phone Council's 24 hour phone number "8256 0333" and or e-mail playford@playford.sa.gov.au , and cc your email to me at crjfederico@playford.sa.gov.au. When speaking to Council please remember to get a Customer Reference Number to ensure registration, and easy identification of your communication. If you have a pressing concern you can talk to me at the Country Market, or pop a note into my letter box.

One Tree Hill CFS — Incident Report August 2017

The pattern of being a quiet winter continued throughout August with only a few callouts to vehicle accidents. The "scenic route" (Gawler-One Tree Hill Road) lived up to its name late on a Friday afternoon with drivers having an opportunity to slow down and take in a very picturesque sunset between Medlow and Kentish Roads. Unfortunately, the obstruction, caused by a van which had lost control and ended up on its side in the middle of the road was not so "scenic" and could have easily ended in tragedy if there had been vehicles coming in the opposite direction at the time. Thanks go to the other drivers on the scene for safely directing traffic while waiting for emergency services to arrive. Remember, if you find yourself in that situation that your safety is the number one priority. In the other significant incident, crews were called out to clean up spilled oil on a dirt section of road at Hannaford Hump after a driver lost control and hit a tree.

What's that sound?

I was reminded recently of that feeling of uncertainty we all had when we first moved into the area and experienced the siren test for the first time. In this case, a youngster who was staying in the area became quite concerned about what it meant and whether they needed to evacuate. In general, apart from the test which occurs most Monday nights at 7:30, the sirens are not used except when there is an impending threat to the township or local area. By now, we should all have our Bushfire Plans in place and with summer coming, maybe it is a good time to discuss with the children what should happen when the siren goes off.

How do you find out what the emergency is? There are many methods including radio (891 ABC Adelaide), the CFS web site and alerts on smart phones. Work out which is the best method for you, remembering that major incidents may come with power outages. A timely reminder for people still using the old CFS FireApp on their smart phones that this has now been replaced by the more comprehensive AlertSA application with details available on the CFS web-site.

As reported in the last issue the AGM was held on the 7th of August and many people have stood up to take on new positions. Congratulations to all those people and many thanks to people who have served in positions over the last two years keeping our Brigade amongst the strongest in the State.

For general information please contact OTH Duty Phone on 8280 7055.

You can also visit the CFS website at <http://www.cfs.sa.gov.au> or phone 1300 362 361.

Kamcheyenne Limousin Supports Local Youth at the South Australian Junior Heifer Expo

Kamcheyenne Limousin supported 4 local young people at the South Australian Junior Heifer Expo (SAJHE) for the second time this year.

For those who don't know, the SAJHE is the largest and most successful junior beef industry educational event in Australia. The main objective of the expo is to encourage livestock enthusiasts (age 8-23) to gain knowledge and skills in the many facets of the cattle industry. In their own words: "our aim is to continue to improve the Expo as a platform for our youth within the beef industry, allowing further development of their knowledge, experience and opportunities in life and enabling them to become tomorrow's leaders".

Kamcheyenne Limousin has been involved in the SAJHE in the past, the last time around 6 years ago, where 2 of our stud hands began their Kamcheyenne journey. At Kamcheyenne Limousin, we feel it is extraordinarily important to support youth activities with cattle, and believe in the philosophy and objectives of the SAJHE regarding this. We at Kamcheyenne Limousin are proud of our young show assistants and all they have achieved.

- Thank you Sarah from Kamcheyenne Limousin for supporting our local community and sharing your news with us.

Community News ... **One Tree Hill Uniting Church**

150th Anniversary Celebrations **Saturday 12th & Sunday 13th August 2017**

150 years is a long time...yet in our midst here in One Tree Hill the church on the main street has stood there and watched the town grow and change. As is most fitting, of such an amazing feat we celebrated well.

Last weekend, the anniversary of the establishment of the church, and the laying of the foundation stone, we started our celebrations with a dinner for nearly 60 people at the Blacksmith Inn.

A 3 course meal was enjoyed by all with much sharing and laughter. Our delicious food finished with amazing, mouth watering cup cakes, made by 'Supernatural Cakes', featuring gold flowers, and miniature pictures of our church...all edible!

Mr Keith Gooley

On Sunday morning we started the day of celebrations with a 'Meet & Greet' cuppa, where we were pleased to see a number of former members join us.

Visitors came from afar with over 150 people filling the church to be a part of this very special occasion. We welcomed special guests, the Moderator of the Uniting Church, Reverend Sue Ellis, and our local Mayor, Mr Glen Docherty.

As well as delivering a thoughtful message, Reverend Ellis blessed our new stained glass window that commemorates our 150th Anniversary. The window was made by congregation member, Mr Keith Gooley...a clever man indeed!

The service also included a short history of the church and its people, read by three young adults from the congregation. What was certainly worthy of this significant celebration, was the singing, first by the choir then by the congregation, with two songs played resoundingly on our old organ.

After the service, lunch was shared, as were many stories of days gone by. We were indeed blessed with a glorious sunny mild day which allowed the crowd to spill out into the garden.

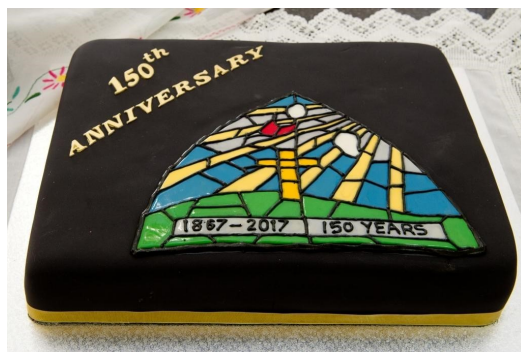

We finished our celebrations with an entertaining and very successful afternoon Concert in the One Tree Hill Institute, in which amateur dancers, musicians and singers gave us professional performances.

Members of our congregation, Dan Shelton, Eugene Chateau and his South African Choir, June and Tom Keir, all gave us moving performances. We were fortunate to have One50 Dance Group perform, as well as local Uniting Church school Pedare Christian College, bring two music groups – a string quartet and part of their stage band. The 25 member Adelaide Male Voice Choir sang gloriously, and we were well fed at Interval with a delicious spread for afternoon tea.

The grand finale for our Celebratory Concert was fourteen men from our congregation performing a rendition of The Silent Monks' "Hallelujah" which was received with much laughter and applause.

All in all it was an extremely memorable weekend of celebrations...well and truly worthy of 150 years.

- Thank you One Tree Hill Uniting Church for sharing your celebrations with us

Community News ... **Para Wirra Conservation Park** **“Bush Kindy”**

The One Tree Hill PreSchool and Adam's Road Children's Centre have been attending weekly Bush Kindy sessions at the Para Wirra Conservation Park.

These sessions have seen a real sense of community emerging as parents and grandparents join in and support the local children.

'Para Wirra is a beautiful wild space in our community and is providing endless opportunities for our children to learn and develop intellectually, socially, physically, emotionally and spiritually. A number of parents and grandparents stay to work with and support the children. A real sense of community is emerging.' (One Tree Hill PreSchool)

The One Tree Hill Preschool has noticed that children are:

- Developing a greater respect for the environment.
- Noticing the details of the natural elements around them and regularly comment on the changes that they have observed.
- Actively collaborating and cooperating as they work on the projects that they devise; they have become quite skilled cubby builders!
- Becoming more persistent and resilient as they have faced and struggled with challenge, and
- Becoming powerful problem solvers.

The One Tree Hill Preschool is zoned but is open to children who live outside of the One Tree Hill area, providing vacancies exist.

Children attend preschool up to 15 hours per week for 4 terms. Attendance is spread over 2 full days (8:50am - 3:10pm) each week and four hours of Bush Kindy at Para Wirra National Park on alternate Wednesdays (9.00 - 1.00).

- What a fantastic opportunity for children to get out into nature.

Thankyou One Tree Hill PreSchool for sharing your wonderful adventures with us!

Congratulations to our local One Tree Hill CFS Brigade

The Chief Officers Training Award is awarded each year to brigades that meet certain level of training specific to the risk for each brigade. Since it was introduced 14yrs ago One Tree Hill has achieved this award 12 times including 2016 to 2017 financial year. The award was presented to the brigades training officer Alex Thomson on Friday night the 18th August at a special ceremony held at the regional headquarters.

This award is for the members of the One Tree Hill Brigade for their passionate commitment and effort towards training and building their knowledge to support and help their community in the time of need. The past six months we have had the opportunity to see 60 courses completed by the brigade members. The courses can run from 3hrs to a full week. I would like to congratulate the members of the One Tree Hill brigade for the time and their families support for attending these courses. With a special mention to the brigades training officer Alex Thomson for his arduous work ensuring the brigades training maximise the safety of our community.

Local Sport ... **One Tree Hill Soccer Club**

Well, it seems like just a couple of weeks ago that we were struggling to fill our teams but here we are with the season just about over and summer with cricket and tennis just around the corner. Our last functions for the year are the Junior and Senior Presentation Days, to be held on 23rd September. The junior function will be at the oval between 12 and 4 pm and the seniors will be at the hall later that night.

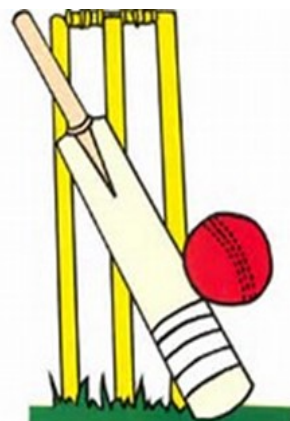

The Junior Presentation Day incorporates the AGM and this will be held around 2 pm. As foreshadowed at last year's AGM, two important positions will become vacant at the AGM, the President and the Junior Registrar. We are looking for some enthusiastic "new blood" to come into these positions and take the club forward into the coming years. The club would like to thank our sponsors, Fine Concepts, Greenbuild Energy Solutions and Stassi Engineering for their support.
